

Shows to word it "like some new dimension" [↳]

This flash of genius did without intention

Show us that smile, a thing alive & real

that came straight from the heart of one

instinct with charm

"Some new dimension" Yes those words convey

Just how the Queen's smile sang

"Greeting" - 1943 -

Letter of FRA GIOVANNI - 1515 -

She smiled awhile

And when she smiled

Another smiled

And soon there followed miles & miles & miles

of smiles

Because she smiled

"greeting"

Beauty, beneath its covering that you will find earth but clear as Heaven

Courage then to claim it that is all

But Courage you have, + the knowledge that we are pilgrims together wending through unknown country, Home And so at this time I greet you

Not quite as the world sends greetings, but with profound esteem + with the Prayer that for you now + forever the day breaks

+ the shadows flee away

 Great way because of
 Offer by W. F. = = =

It was a thing of loveliness that lit
A flame in all our hearts
Under the far-flung radiance of her smile
Came transformation.

All were moved to exaltation

Even the prosy & the dozy
Miraculously came alive

The hard-boiled & undemonstrative

Blessed into crazy enthusiasm

The taciturn & ever the satirical

grew positively lyrical

Stately dignitaries & senate councillors

Threw decorum to the winds

& tossed their hats in the air

The nervous were put at ease

& many hard to please were misty-eyed

Even the blind could sense the

swatters of a smile so kind

And none remained unmoved

Whence came the magic influence of this smile

That sent delight rippling along the crowds

for mile on mile & never thus grew stale
