OUR CAPETOWN LETTER.

BABY WEEK.

THE CHERNIAVSKIS.

SUNDRY ITEMS.

(SPECIAL TO THE "S.A. JEWISH CHRONICLE.")

Cape Town,
2nd June, 1918.

My dear Cousin.

This has been Baby Week and the town has been full of it. It started amid rain on Monday last—a long and varied programme. There were talks to girls, and talks to mothers, and talks to fathers. There were baby shows; demonstrations of cooking, nursing, and washing; lectures, socials, entertainments, exhibitions, and finally a procession which was one of the most interesting items of an interesting array of events. The Child Welfare Exhibition which was held in the City Hall attracted a large number of people and it is to be hoped that the various exhibits and posters displayed there will arouse thought and educate where most needed. I noticed Mrs Stern in charge of one of the exhibits and Mrs. Katzin, the Hon. Treasurer, at the opening ceremony. At the Government House Meeting Mrs. Saphra seemed to be the only representative of Jewish women, and there the Rev. A. P. Bender, in a witty speech, proposed the vote of thanks to the Mayor who presided. Another function that appealed greatly was an afternoon meeting at the International Hotel where Miss Marriott and Professor Clarke expounded the Montessori system of education. Mrs. Stern was one of the organisers of this meeting and the hall was filled to overflowing with a most interested audience. The procession itself was charming. There were decorated cars showing the value of children—the asset that is greater than gold—there were the Girl Guides and Boy Scouts, a Pied Piper of Hamelin with a retinue of children in quaint 14th century costume and numerous symbolic banners and tableaux arranged on motor or horse lorries. The week finished to-day with special services in the various Houses of Worship. In the Roseland Street Synagogue the service was held yesterday afternoon,

The Rev. W. Wilder officiating and Mr. Adv. M. Alexander M.L.A. delivering an excellent address. The offertory of the morning service was devoted to the Child Life Protection Society. In the Gardens Synagogue the special choral service was held this morning. Rev. Strod officiated and the Rev. A. P. Bender read the special prayers and delivered an appropriate and eloquent address. The Synagogue was crowded, the large number of children present being particularly noticeable. There was a collection in aid of the Child Life Protection Society, the Jewish Girl Guides and Boy Scouts taking charge of same.

Yesterday afternoon the children's service in the Gardens Synagogue was more than usually interesting. It was the 1st Saturday in the month and on this day the Hope Mill School Scouts and the Jewish Troop of Girl Guides always attend the service, special hymns being sung.

On Tuesday last I went to the Cherniavsky recital in the City Hall. The brothers arrived here only a few days beforehand from the United States where they had just completed a most successful tour. They were booked for two concerts here one held on Tuesday, and one arranged for the 4th June. The

month of September is to be devoted to recitals for Red Cross Funds in all the large towns of South Africa and already arrangements are being made with Mr. Theo Wendt for a concert in collaboration with the Municipal Orchestra. Last Tuesday's concert was a huge success. Altho' the night was wet and miserable, yet a godly crowd put in an appearance in the City Hall and accorded the three brothers an enthusiastic reception. The programme was an interesting one. There were trios by Leo, Jan and Mischel of which perhaps the Arensky trio in D Minor ranked first in interpretation and execution. Leo Cherniavsky, the violinist, gave a magnificent rendering of Ernst's Concerto in F sharp major for which his brother Alex acted as accompanist. Jan the pianist gave as his solos varied examples of Chopin's works and Mischel was very fine in his cello solos. The whole evening was a delightful one and so great an ovation did the artists receive that again and again they had to return to the platform. I am greatly looking forward to the next concert.

In the meantime, my dear, addios.

Ever yours,

X
