It is unfortunate that the general public are not admitted to the debates and lectures organised by the Dr. Herzl Lodge of the H.O.D., for, there is not the slightest doubt that they are of a very high order and accomplish an excellent purpose. There was a large attendance of officers and brethren on Monday evening last at the Lodge Rooms, Transvaal Arms for the customary monthly debate. The subject,—"That Zionism being a political movement is not admissible in Lodge discussions."

It was hoped that brethren of the Otto Warburg Lodge, Pretoria, would take the negative but owing to a breakdown in transport they were unable to be present and the speakers who volunteered to deputise are to be complimented upon the fine case they put forward.

Bros. L. P. Kirsch and M. Abrams led in the affirmative whilst Bros. Dr. P. Sniderman and S. Abrahams were the chief speakers for the opposition. Others who took part in the interesting discussion which followed were,—Bros. S. Lowenberg, J. Distiller, V. Rosenstein, J. Getz, B. Levius and S. M. Goldstein. The last named speaker, in response, to the request of the members present, was asked to continue speaking after his time allotted had expired. Bro Dr. Charles Spiro, M.A., LL.D, at the request of Bro. President S. Jossel, summed up the debate and, on being put to the vote the motion was declared majority.

On Monday evening next at the conclusion of the usual business of Dr. Herzl Lodge the agenda for the forthcoming Congress of the South African

The Yiddish Literary Society.

The Yiddish Folk Song Concert organised by the Yiddish Literary Society was a huge success. The hall occupied by this organisation was, on Sunday last crowded to excess, and the artists were loudly applauded. It was evident that the organisers had gone to considerable trouble to arrange so excellent an evening's entertainment.

On Sunday evening next the famous Yiddish mock trial by Sholom Alechem, will be staged.

The Durban Jewish Circle.

The programmes of the Durban Jewish Circle are of an interesting nature and, we would advise similar organisations in different parts of the Union to follow the example set by this enterprising society. We notice that at the half annual meeting a very business like resolution was moved by Mr. Max Welpert to the following effect:

"That the Circle grant a loan to the Tennis Section of a sum not exceeding £150, for the express purpose of building a third court adjoining the property presently leased. That this loan be repayable by monthly instalments of a sum equal to at least £40 per annum—plus 5% interest on the amount owing from time to time"

We also notice that thanks to the efforts of the Jewish Circle

Jewish Board of Deputies will be discussed.
