The "Chronicle" Cake.

No. 851

Jewish children have been successful in the realm of music as well as in other educational spheres and the news that a young student—David Taylor—has gained one of the highest awards—a scholarship tenable at the London College of Music—has given great pleasure. No small amount of the success is due to his painstaking teacher,

MR. MAX WEINBRENN,

to whom we present this week's cake in recognition of this being the fourth occasion that his pupils have gained this high honour and the dainty will be inscribed

"WELL DONE."

Estate late Vladimir Alexandre de Markewitch also known as Vladimir Alexandre Markewitch, No. 57861.

All persons having claims against the late Vladimir Alexandre Markewitch or his Estate are called upon to lodge their claims with the undermentioned within 14 (fourteen) days from date of publication hereof.
