Cape Jewish Guild.

CHANGE IN CONSTITUTION.

Last Thursday evening a special meeting of members of the Guild was held at the Rooms, Plein Street, to consider the proposal to amend the constitution of the Guild so as to allow of the election of a President, in addition to the present executive.

There was a large muster when Mr. S. Winer, the Chairman, opened the meeting.

Mr. J. L. Cohen, speaking to his motion to alter the bye-laws, said that if his views were adopted, the status of the Guild would be greatly improved. Seeing that they had worked up a fairly large organisation, it would be to their benefit to have a president elected from the general community; a man prominent in the community who would devote some of his time to the activities of the Guild would be an immense asset and help their movement along considerably.

Mr. I. Lewis seconded the proposal which after a considerable discussion in which views were expressed *pro* and *con*, was carried almost unanimously.

The alteration will take effect as from the date of the next election which will take place some time in January next. Names will then be submitted for the position.

A Birthday Party.

To celebrate the birthday of Miss Rose Baris, Mr. and Mrs. A. Goldberg gave a delightful party at their residence "Pine Villa," Green Point, on Sunday night. As can be expected when young people congregate there was much dancing, and this was kept up vigorously until a late hour. Among the guests were the Dalton Sisters, Mr. Scott Sanders and Les Zenga Freres who have been achieving much success at the Tivoli.

Miss Nita brought her ukelele with her and together with her sister delighted everyone with their harmony. The Zengas, typical French artistes, are perfect dancers and the absence of lighting effects, orchestral assistance and the atmosphere of a theatre did not affect their exhibitions with which all were charmed. It was a happy inspiration that led the host and hostess to extend their invitation to their theatrical friends for there was never a dull moment during the evening.

A New Firm.

Mr. A. Kruyer who recently arrived from London where he had for a considerable time been engaged in auction and estate work has joined Mr. M. Kruyer who until recently was with Messrs. Zoutendyk Bros. & Stamper. These Jewish young men are both experienced in their particular class of work, and are already beginning to make their presence felt in the commercial world as up-to-date auctioneers and estate agents. Their present address is Belfast Chambers, corner of Longmarket Street and St. George's Street, Cape Town.

At the *Brismelah* of the infant son of Mr. and Mrs. A. Shifrin, a collection was made in favour of various local charitable institutions and allocated by the Rev. S. H. Michelson.

The Westminster Toilet Saloon, 26, Church Street, has just been taken over by Mr. Colman Albert, and he will be pleased to renew acquaintance with his many old friends and customers and to make new ones.
