THE CARNIVAL.

The arrangements for the Carnival at the City Hall on Monday, October 5th, and Tuesday, October 6th., give clear indication of one of the greatest successes in the history of Johannesburg. The decorations and lighting of the City Hall proper and in the adjoining corridors and vestibules, as well as in the Selborne Hall, are in the able hands of Mr. Cowen and Messrs. Davis and Fine, and are calculated to produce a striking effect of harmonious colouring. Aside from the tableaux accompanied by song and music, which will be produced on the stage, there will be an imposing pageant, in which hundreds of people will participate. One of the star turns of the evening will be a Mass Scene, symbolising the Redemption of the Sharon, accompanied by a song which has been specially written for the occasion by the well-known Hebrew poet, Jacob Fichman, and the music composed by the famous master, Professor S. Rosofsky, both of Palestine. An additional attraction will be a number of stunts by a group of University students, as well as by the members of the Johannesburg Hebrew Circle. A large and interesting variety of sideshows in the City and Selborne Halls, coupled with dancing in the Main Hall, will contribute in no small measure to the introduction of a real carnival spirit into the proceedings.
