## Worcester's Brilliant Effort.

£946 PRESENT TOTAL.

(Special Telegraphic Report.)

Worcester, Thursday.

Worcester is determined to set an example to the rest of the community. The present total is £946. Every nerve is being strained to bring the total up to £1,000. Tremendous enthusiasm is prevailing throughout the district.

## Assisting the Board of Guardians.

### AN EMERGENCY MEETING.

A meeting convened by the Committee of the Cape Jewish Board of Guardians was held in the Zionist Hall on Wednesday evening of this week. Invitations were extended to a number of social workers in the community and about twenty-two of these attended. The purpose of the meeting was to investigate the present position of the Board and to consider ways of improving the financial position.

Various suggestions were put forward as to how funds for the Board could be raised, among which was one to hold a bazaar, another to conduct a campaign for funds, and another to hold a membership campaign. Subsequently one speaker suggested that the

matter of raising funds for the Board was a matter for the principal congregations in Cape Town to take in hand. He felt that the Cape Town Hebrew Congregation and the New Hebrew Congregation should take the initiative in calling together the leaders of the community to save the Board of Guardians from the position in which it finds itself to-day.

It was eventually decided that the committees of both congregations should be asked to attend *en bloc* a meeting which has been arranged to take place in the Zionist Hall on the 17th inst. at 8 p.m. Invitations will also be extended to others interested in the Board.

## Obituary

### MISS BELLE PINN.

Cape Town Jewry was deeply shocked this week by the death, which took place on Saturday last, of Miss Belle Pinn, daughter of Mr. and Mrs. L. Pinn, of Sea Point.

Miss Pinn was well-known to a large circle in Cape Town. She was a bright and vivacious personality, and she invariably endeared herself to all with whom she came into contact. She played the piano and sang exceedingly well, and on numerous occasions offered her services in this connection in Zionist charitable efforts. She died, after a lingering illness, at the age of twenty-three. She will be deeply missed by the community as a whole.

The funeral took place on Sunday morning last. The deepest sympathies are extended to the sorrowing parents and relatives.

## Activities at Worcester.

### JUNIOR ZIONIST SOCIETY.

(From a Correspondent.)

A social and dance was held on the 27th February in the Zionist Hall under the auspices of the above society. It proved to be a very successful affair, and a most enjoyable time was spent by all present.

The following artists contributed to the programme of the evening: Master S. Behrman (violin solo), Miss H. Sacks (recitation), Miss B. Goodman (dance), Misses S. Green and F. Felthum (pianoforte duet), Miss R. Rabinowitz (recitation). There were also two choruses and a play.

Notes of thanks were proposed to the artists, hostesses, and to Miss R. Behrman, who ably assisted to complete the entertaining programme, and devoted much time to training the participants in the choruses and play. A presentation was made to her.

At a general meeting held recently Miss F. Goodman, Messrs. C. Goldberg and A. Israelite were elected committee members in place of three members who have resigned.
