

During the last week two very successful dances have been held in aid of the Rainbow Fete.

The first was held on Thursday evening last under the auspices of the Cape Town Jewish Girls' Association, who are in charge of the Babies' Outfitting Stall. It was held in the Zionist Hall and was very well attended. The Fete should benefit appreciably as a result.

The second dance was held last Saturday night under the auspices of the Cape Town Hebrew Circle (Talmide Ezra). The Minor Zionist Hall was well filled with dancers who spent a very enjoyable evening. The material results were also very satisfactory.

FORTHCOMING FUNCTIONS.

A Carnival Dance.

To-morrow night, in the Zionist Hall, a Carnival Dance in aid of the Rainbow Fete is being held. It promises to be a very delightful dance, if one may judge by the programme and by the work which is being put in by the organisers. The convenors of the Dance Committee are Mrs. H. G. Wise and Mrs. A. Orman, and the experience of these two ladies in organising functions of this nature is a happy augury for the success of to-morrow night's affair.

For those who desire to come in Fancy Dress, an attraction should be the presentation of several handsome prizes to the wearers of the most original costumes. But Fancy Dress is not compulsory, and a good night's entertainment may be gleaned by those who do not wish to participate in the competition. Droomer's Orchestra has been engaged and an excellent sit-down supper is promised.

And if these facts do not constitute sufficient inducement to dancers to attend to-morrow night's Carnival Dance, the fact that it is being held in aid of the Zionist Hall Building Fund, should alone suffice. There are few worthier local causes in need of support to-day.

Dance at Somerset West.

On Saturday evening, 29th inst., a dance in aid of the Fete will be held at the Strand Victoria Hotel, under the auspices of the Strand-Somerset West Zionist Association. Further details will be published later, but it is hoped that dancers will make a note of this function that is being specially arranged during the week-end.

Card Evening.

Another function arranged to take place in aid of the Fete, is a Card Evening on the 15th August. This is being held under the auspices of the convenors of the Novelty and Fancywork Stall, at the residence of Mrs. S. Freedman, 19 Alexandria Avenue, Oranjezicht.

Mannequin Tea.

And finally, a function which is still rather distant, but which, nevertheless, promises to be very pleasant, is a Mannequin Tea on the 29th August. This will be held at the Mount Nelson Hotel and the proceeds will be earmarked for the Sweet Stall. Further particulars will be published later.

THESE ARE ONLY A FEW.

Are You Getting the Original Aspirin?

Different makes of Aspirin vary in many respects. To get the original Aspirin buy Bayer's. Bayer's invented aspirin thirty years ago, and first gave this boon to suffering humanity. It was Bayer's Aspirin that doctors all over the world first used.

Because of a unique process of making and tableting, Bayer's Aspirin is made to dissolve almost instantly in the stomach. This quick solution means quick absorption; quick penetration to the seat of pain. Hence you get practically instant relief—the quickest safe relief, it is said, ever known for pain. Think of a headache, a nagging tooth, neuralgia, neuritis, sciatica, lumbago, rheumatic pains, each relieved in a few minutes. Colds, too, you can break them up with a dose or two of Bayer's Aspirin. Allay the fever and ease the body pains of influenza. Soothe a sore throat and reduce infection by gargling with two tablets dissolved in a quarter-glass of water. And Bayer's Aspirin is a blessing indeed to the women who, but for its unfailing relief, would be prostrated by regular attacks of pain.

Chemists sell Bayer's Aspirin tablets in tins of 12, also bottles of 25 and 100. Every tablet bears the "Bayer Cross" trade mark, the sign of the genuine and your guarantee of quick relief.
