# Bnoth Zion "At Home."

## Visiting Lady Zionists Welcomed.

### FAREWELL TO MRS. GORDON.

The "At Home" given by the Bnoth Zion Association yesterday afternoon in the Zionist Hall in honour of Mrs. L. Greenberg, Chairlady of the Women's Zionist Council of South Africa, and other members of the Council at present in the Cape, was a highly successful function. It was well attended, among those present being Mrs. Sarah Gertrude Millin, Mrs. S. Jacobson (Miss Margery Myers), Mrs. N. Franks and Mrs. A. Lieberman.

Adv. Maggie Obowitz, President of the Association, was in the chair. Before proceeding with the business of the meeting, she made sympathetic reference to the death of Mrs. Isabel Erlanger in Palestine, and the gathering rose as a mark of respect.

Miss Obowitz extended a cordial invitation to all present. She spoke of the formation and work of the Women's Zionist Council, and of the work done on it by Mrs. Greenberg, the Chairlady, and the Bnoth Zion representative.

Mrs. Greenberg, in reply, expressed her thanks for the welcome and her pleasure at being at the function.

She then proceeded to speak on the work of the Wizo, drawing attention to the recent Conference at Prague, where it had been decided to devote special attention to the work of settling German women and children in Palestine and to train them in land work. She stated that South Africa had been given a special welcome at the Conference.

Dr. Deborah Katzen also replied suitably. She spoke on the significance of Zionism

and Palestine generally and of women's work in the movement particularly. She was listened to with much interest.

### Farewell to Mrs. Gordon.

During the course of the afternoon the opportunity was taken of bidding farewell to Mrs. S. Gordon, who leaves on the 27th inst. on a trip to Palestine. Miss Obowitz spoke of the invaluable services Mrs. Gordon had rendered the Bnoth Zion Association during the many years she had been connected with it. She had laboured selflessly and wholeheartedly in the cause and had won the admiration of all who knew her work. Her services in connection with the Hebrew Kindergartens were particularly outstanding, and if not her it was doubtful whether the Kindergartens could have been founded at all.

They all wished Mrs. Gordon a happy and healthful trip. They trusted that her visit to Eretz Israel would give her all the joy she deserved. Before concluding, Miss Obowitz made a handsome presentation to Mrs. Gordon on behalf of the Committees who had worked with her.

Mrs. Gordon suitably responded, saying that she was very touched by the expressions of appreciation of her work. She was very happy to be going to Palestine. She expressed her deepest thanks for the presentation which she would always value.

During the course of the afternoon a song was rendered by Mrs. Dickman.

A most successful function came to a close at about 5.30 p.m.

will help forward the work being accomplished in it. It is almost incredible that a community like Cape Town Jewry, famous throughout a great part of the world for its strength of national feeling and its generosity, should allow such a state of affairs to exist. Yet that is exactly what it has done; indeed, it has not only allowed it to exist but even to become worse.

Mr. Alexander's appeal should be read carefully by those who have the interests of the community at heart. The sentiments he expresses will be shared by many, and we earnestly hope that the material response to his appeal will be, as he terms it, "a glorious triumph."
