Bnoth Zion Association (Muizenberg Branch).

The monthly meeting was held on Monday afternoon at the Grand Hotel, and was fairly well attended.

Mrs. A. Movsovic presided, and extended a very warm welcome to Mrs. S. Sloman, who had acted as a delegate to the Wizo Conference in Palestine. She announced that a card afternoon would be held on September 2nd at the Balmoral Hotel in aid of the J.N.F.

After the tea interval, Mr. A. Z. Berman delivered a very interesting lecture on "The Origin and History of the Lithuanian Jews." He asserted that ninety-five per cent. of the Jews in the world to-day came originally from Lithuania, where they had lived peacefully for centuries.

Up to the fourteenth century, comparatively little is known of the life of the Jews in Lithuania; any information on this subject must be sought for in the Lithuanian archives, as apparently no separate Jewish records were kept.

Nowhere else in the world, declared the lecturer, could a parallel be found to the peaceful, unmolested existence of the Jews in Lithuania for over ten centuries.

Mrs. Sloman, in proposing a vote of thanks to Mr. Berman, said it was a comforting thought that as descendants of Lithuanian Jews, we could consider ourselves as belonging to the aristocratic section of Jewry, with a "family tree" extending back to the pre-Christian era.

Loss to Worcester Jewry.**DEATH OF Mr. L. GOLDBERG.**

Through the death of Mr. L. Goldberg, of Durban Street, Worcester, on the 4th August, 1935, the Jewish community and the town and district as a whole has suffered a great loss.

Mr. Goldberg underwent a serious operation in Cape Town about six months ago, and although he returned to Worcester and was up and about, he was not the same man. His death, however, was unexpected by many of his wide circle of friends.

The late Mr. Goldberg, who was fifty-seven years of age, had spent thirty-five years in Worcester. One of the leading produce dealers in the town, he took a keen and active interest in civic progress, and at the time of his death he was a Vice-President of Worcester Chamber of Commerce, a position he had held for many years. His other commercial interests extended to the Worcester Land and Read Estate Development Co (Pty.), Ltd., of which he was a Director, and he envisioned the three-storey building—to be the highest in the town—now in the course of erection in Stockenstrom Street.

He was an active member of Worcester Ratepayers' Association, and once stood as a candidate for Ward III.

A genial personality, Mr. Goldberg was liked by all who new him, and his passing will be mourned by many.

The greatest loss, however, has been sustained by the Jewish community. Keenly interested in educational work, Mr. Goldberg was the local representative of the Cape Jewish Orphanage and the Worcester Hebrew School. A few months before his death he made a generous donation towards the cost of rebuilding the Talmud Torah. He was also the Vice-President of the Hebrew Community at Worcester. His work for the Jewish Orphanage was of great value to that institution.

He married Miss Fleischer, of Cape Town, who, with two children, survives him. Much sympathy is felt for them in their sad bereavement.

The funeral took place on the 5th inst. and was largely attended. The Rev. E. Stein conducted the service. Rev. H. Pells attended to the Masonic rites, the late Mr. Goldberg having been a Past Master of the Worcester Masonic Lodge, and Rev. J. S. Murray, the senior minister of the Dutch Reformed Church, gave a short address at the graveside.
