

## IN AND AROUND THE PENINSULA

### Habonim.

All arrangements for the Habonim concert "Work and Play in Habonim" at the Zionist Hall on September 1st., are now complete, and the efficiency at the rehearsals augurs very well for a most successful performance.

All the performers will be Bonim and each of the seven Gedudim will put on items, besides several group-features, and individual efforts. As was only to be expected, Jewishness will be a feature of the entertainment: two one-act plays and two song-scenes embodying the songs of the Gistun will specially portray this aspect. What is being done in training will be represented by a gymnastic display, a first-aid scene and Gedud games. Nor is the humorous side being neglected for the "Gedud Nitogadacht" will demonstrate what a Habonim Gedud does not look like, and a broadcast will pick up funny events in various parts of the world.

All in all a splendid entertainment and a full evening are promised.

### C.T. Jewish Girls' Association.

On Monday evening Mrs. J. Herbstein addressed a large number of members of the Association on impressions of her recent tour of Palestine, where she had attended the Wizo Conference as one of the delegates.

Mrs. J. Weinreich was in the chair.

In a vivid manner she conjured up a picture of Palestine as it really is to-day, and in a most entertaining and instructive way described Tel-Aviv, Jerusalem and the other flourishing Jewish centres; the wonders of the Emek and the agricultural life, made possible through the Keren Hayesod.

One felt at home there, as there was a feeling of complete freedom and lack of class distinction amongst the growing Jewish population.

"Over there," she said, "the ideal became a reality."

With regard to her impressions of the Conference, Mrs. Herbstein remarked that she was struck with the spirit of earnestness of purpose of its members and with the spirit of co-operation of the various delegates and their complete understanding of one another.

With a hearty vote of thanks to the speaker by Miss B. Lewis, the meeting closed.
