"I know what you'd like now"

"That's the stuff Jim! That time will take some beating. How about a cigarette?"

"Wonderful idea! Just now, I could think of nothing better - if it's a du Maurier."

"Look! A whole new box. I'll give you one if you wipe your hands and say please."

"D'you know there's nothing to beat a du Maurier - rich and absolutely cool."

"You're right. I found that out years ago. How a good filter tip improves even the best tobacco. There'll never be a better cigarette."
