

Mr. Bunim and Mr. Hareven will Visit Country Centres

In the Interests of the Keren Hayesod

THE Keren Hayesod campaign, which has been so successfully inaugurated in various parts of the country, is now spreading further afield. The Keren Hayesod Organising Committee for South Africa has pleasure in announcing that Mr. Zvi Hareven and Mr. Mordecai Bunim have undertaken a tour of certain parts of the Cape Province in the interests of the campaign. This delegation, consisting of two such distinguished Zionists, who are both able organisers and eloquent speakers, will undoubtedly receive a cordial reception from the communities they will visit.

MR. BUNIM.

MR. HAREVEN.

MR. MORDECAI BUNIM, who is on a visit to this country from Eretz Israel, has a long and distinguished record of Zionist service to his credit. He was one of the early Zionists in Russia and as Chairman of the Saratow Kehillah did much important work. For the past 20 years he has been resident in Eretz Israel and has identified himself with numerous constructive developments in the Yishuv. He has travelled extensively in the United States, Canada and Eastern Europe.

A magnificent orator in Yiddish, Mr. Bunim stirs an audience in the way few speakers can. His speeches breathe something of the authentic spirit of Eretz Israel for which he has an unbounded love, and he has created a profound impression on the many centres he has already addressed. A warm welcome will await him in every community and in particular from those who have some previous knowledge of this warm-hearted Zionist veteran who labours for Zionism with such youthful zeal.

MR. ZVI HAREVEN, a son of one of the early Palestine pioneers, was born in Jerusalem 50 years ago. He received his education in Palestine and in the United States, and at an early age identified himself with the Zionist movement.

When Mr. Hareven took up residence in Germiston, he soon became one of the leaders of local Jewry in every field of Jewish endeavour, gaining the esteem of all sections of the community and of wider circles as well.

An eloquent speaker in English, Hebrew and Yiddish, Mr. Bunim has made a deep impression on the many audiences he has addressed. His organising ability and the many years of experience he has had in practical Zionist work will stand him in good stead in the conduct of the present campaign. His vigorous personality, his profound knowledge of matters Jewish, his intimate acquaintance with every phase of activity in the Yishuv and his intense zeal for Zionism will make him a wel-

"THE MAN IN THE IRON MASK"

Attraction at the 20th Century Theatre

Edward Small, the producer, who gave us "The Count of Monte Cristo," now presents one of the greatest adventure romances—a story treasured by millions—"The Man in the Iron Mask"—now the attraction at the 20th Century Theatre. Lovely Joan Bennett and handsome Louis Hayward are romantically teamed for the first time in the tense and thrilling story. This United Artists picture is directed by James Whale and features a cast of top notch players.

The film brings back to the screen the swashbuckling, fearless Musketeers and introduces many scenes of fencing and sword-play. Portraying the musketeers are William Williams, Alan Hale, and Miles Stander, while Louis' crafty minister is portrayed by Joseph Schildkraut. Miss Bennett, still a beautiful brunette, plays the role of Maria Theresa of Spain, who is engaged to marry the arrogant Louis. The dual role of the King and his twin brother is played by Louis Hayward.

Musical Comedy for Red Cross

"Floradora," that delightfully gay and colourful musical comedy, is to be staged by the Johannesburg High School Old Girls' Club in aid of Red Cross funds. The production will take place at the School Hall, Barnato Park, on June 3, 5, 6, 7, and 8.

THE EDUCATION CONFERENCE

From Mr. A. S. MARGOLIUS (Johannesburg).

To the Editor of the Zionist Record

Sir.—I read with keen interest the report of the Education Conference. I was, however, greatly astonished and perturbed to learn that the Rabbis, whose interest in Jewish education no one can doubt, have deemed it necessary to withhold their valuable co-operation. I am not fully acquainted with the actual causes that prevailed upon the learned Rabbis to adopt such an attitude. One thing must be clear—that if we wish to raise the status of Jewish education, which is in such a deplorable state, we must enlist the spiritual guidance of our religious leaders. The history of the S.A. Board of Jewish Education is rich in experience, which should convince the present council that to succeed in their most difficult task they must enlist the valuable assistance of those capable of directing the destiny of Jewish education. My intention is not to minimise the ability of the present members of the council. I do, nevertheless, consider it of paramount importance that all our cultural forces should be concentrated on the lofty aim of Jewish education.

May I be permitted to suggest to the council that the time has come for realising the simple truth, that most of the Board's activities should be directed towards the betterment of Jewish education in Johannesburg. We must not be blind to the fact that thousands of Jewish children in Johannesburg do not receive any Jewish education. The present council must undertake a big effort to create a favourable public opinion, which would inevitably react to the benefit of Jewish education. In order to stimulate public opinion we must have the goodwill of our clergy and I sincerely hope that our Rabbis will also realise their sacred responsibility and will find a "modus operandi" for the good of Jewry in general and Jewish youth in particular.

Yours, etc.,

A. S. Margolius.

South Africa's Best

Great Caesar's ghost! poor, wasted frame
That once full vigour did possess,
Can't be a man in else but name,
His cough has brought him such distress,
The undertaker smiles to think
Next winter's cold he'll not endure;
Oh! ne'er say die, but take a drink
Of Woods' Great Peppermint Cure.
