King Canute, a gay old shoot,
Tried hard to stop the waves;
The King said "Dash," and made a splash,
And kicked six of his slaves.
But Woods' so bold can stop a cold,
When nothing can procure
Relief from pain, none try in vain
With Woods' Great Peppermint Cure.

British Empire Red Cross Collection

Thirty-seven Transvaal municipalities, including Johannesburg, have allocated either June 5th or 7th for the British Empire Red Cross flag day.

This collection is purely a war-time measure, and is held each year, throughout the Commonwealth, during a war. In 1940, the Transvaal raised over £5,000, of which Johannesburg contributed its record amount for a street collection. Despite the fact that the collection was held on a Wednesday, it yielded £3,266.
