WAKE UP YOUR LIVER BILE —

Without Calomel—And You'll Jump Out of Bed Full of Vim and Vigour.

Your liver should pour out two pints of liquid bile into your bowels daily. If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You get constipated. Your whole system is poisoned and you feel sour, sunk and the world looks punk.

A mere bowel movement doesn't get at the cause. It takes those famous Carter's Little Liver Pills to get these two pints of bile flowing freely and make you feel "up and up". Harmless, gentle, yet amazing in making bile flow freely. Look for the name Carter's Little Liver Pills on the red package. Refuse anything else. Price: 1/3.

The engagement is announced of Louis, youngest son of Mr. and Mrs. J. Gelvan, to Lilie, only daughter of Mrs. and the late Mr. R. J. Rafel. Both of Johannesburg.
