BLOEMFONTEIN W.Z.O. ACTIVITY

Two interesting cultural functions were held by the W.Z.O. recently. The first was devoted to reports of the Zionist Conference given by Mr. S. Rabinowitz and Mrs. M. Salman. Mrs. Woolffe read some news items. The guest of honour was Mrs. M. Kaplan and the hostesses were Mesdames A. and W. Kaplan. Mrs. B. Baron was in the chair.

The second cultural function was addressed by Mrs. Lily Fredman on the life of Heinrich Heine. Miss Bernice Kaplan read news items. Mrs. S. Weinberg was the guest of honour, and the hostess was Mrs. D. Ben-yishai.

Card afternoons were given by Mesdames A. Gelman and H. Fox and by the committee of the W.Z.O. in aid of the J.N.F.

Mrs. W. Kaplan is organising monthly tennis afternoons in aid of the same fund.

NIEDZIELSKI RECITAL ON SUNDAY

There should be a crowded audience at the 20th Century Theatre on Sunday evening when Niedzielski, the celebrated Polish pianist, gives his final recital during his present stay in Johannesburg. He will give an entirely new programme, his items consisting of the famous Moonlight Sonata by Beethoven and a number of further Chopin items. An interesting portion of the programme will be the playing of the complete book of Fantasy Pieces by Schumann.

There was a very large audience at the 20th Century Theatre on Sunday evening last when Niedzielski gave his first recital. This was mainly devoted to Chopin, of which composer he is the ideal interpreter. Niedzielski undoubtedly finds in the piano a natural means of self-expression and fulfilment of his artistic desires. Since he played here some seven years ago, Niedzielski has improved his fine technique and is able to-day to perform the most difficult of piano compositions.
