Dear Sir

Jaycee South Africa is most honoured that you have consented to be the keynote speaker at the FOYSA '86 Awards Banquet.

In your letter of 21 April you indicated that you would like further details closer to the time.

By now you should have received two complimentary tickets for the banquet at the Venetian Room of the Heerengracht Hotel on Tuesday 12 August 1986. Sherry will be served in the lobby from 19h30 and the guests will be seated by 19h50. Honoured guests will be personally met by members of Jaycee South Africa and introduced to each other during this time.

The M.C. for the evening will be Mr Malcolm Roup of the law firm Roup, Wax, Kaminer. You will be introduced to speak immediately after the main course has been cleared and before desert.

The topic is of your own choice. I am sure that the audience would be most interested in your analysis of the current situation and what you would regard as possible solutions. Your address should please not exceed 20 minutes. The full programme for the evening including times will be sent to you when it is available.

There will be a winners' press conference on Tuesday afternoon. Should you desire it, we could make copies of your speech available to the press. If this is acceptable to you please let me have a copy by the Monday morning.

If you have any further queries please do not hesitate to phone me at 74 3858 after hours or Mrs Goldie Norris 797 1218 all hours.

Yours faithfully

*G. Norris*
