## Solly Aronowsky.

Mr. Solly Aronowsky, the well-known violinist and conductor, has resigned from the S.A. Broadcasting Corporation, with which he has been associated for the past ten years as a first violinist in the symphony orchestra.

During his association with the S.A.B.C. he produced numerous programmes under the "A" and "B" transmissions, some of which were broadcast from Durban and Cape Town.

Mr. Aronowsky is taking up the position of the "Solly Aronowsky Concert Bureau (Pty.) Managing Director of a company of impressarios, Ltd.," which is financed by a group of prominent Johannesburg business men.

Mr. Aronowsky will, however, continue to make personal appearances as violinist and conductor and, also, carry on with violin tuition.

## "UNBLOCK" YOUR DIGESTIVE TRACT

And Stop Dosing Your Stomach With Raw Purgatives

Don't expect to get real relief from headache, sour stomach, gas and bad breath by taking soda or crude, unbalanced, raw purgatives, if the true cause of your trouble is constipation.

In this case, your real trouble is not in the stomach at all, but in the intestinal tract where 80 per cent. of your food is digested. And where it gets blocked when it fails to digest properly.

Thus, what you want for real relief is something to "unblock" your intestinal tract. Something to clean it out thoroughly and help Nature get back on her feet.

Get Carter's Little Liver Pills right now. Take them as directed. Then gently and thoroughly "unblock" your digestive tract. This permits your food to move along normally. Nature's own digestive juices can then reach it—and you get genuine relief that makes you feel really good again.

Get Carter's Little Liver Pills at any chemist at 1/3. "Unblock" your intestinal tract for real relief from indigestion.
