The property of the control of the c

According to advice from Zwitzerland, there is reason to spect the existence of clandestine presses in the frontier anctus for printing imflammatory proclamations, for the croose of being distributed among the troops in France, one are drawn up in a republican sense; the greater numbers however, are said to be in favour of legitimacy.— Times, upust 8, 1833.

Havre, dated July 14, 1833.

A Russian writer has published a work entitled, Picture of all known Linguages and Dialects, it cantains a list properly classified of all 26 1 Augustican languages or dialects, as a of the contraction languages or dialects.

Russia has not assisted the Saltan for bearings and treaty of such a cast added to the observance treaty of such a cast added to the observance treaty of such a cast added to the observance treaty of such a cast added to the observance treaty of such a cast added to the observance that a surface to the suite of the

drat experiment of the strength of those two countries. The eastiance was to be made in the affaire of the strength of this new tripswrite counter attance was to be encouraged, and, if necessary, assisted in taking a detier cisive and active part in the entarty, assisted in taking a detier cisive and active part in the contest between the two brothers, the favour of Miguel. It is acknowledged by the organs of the three absolute Powers, that Miguel had never been a favourite rulers of Germany and Russia; thus those disinterested champions of legitimacy, chase to awritops the faults of Don Miguel, and the impudent act of treachery by which he had usurped the sovereign bowers which he had usurped the sovereign bowers which he had surpred the sovereign bowers which he had savoru to accumulate the sovereigns in over any and despotish which the virtuous Sovereigns in question love and cherne in the dichators assumbled at Toplitz; but there are other phints tribations assumbled at Toplitz; but there are other phints tribations assumbled at Toplitz; but there are other phints tribations assumbled at Toplitz; but there are

Monsieur. Ventura. General of Infantry. served ender Eugene Beauharpols in Napoleon's Russian campalgue, he is a brayes and intelligent officer, but a violent man. Rupject Singh keeps a watchfat eye on his European Officers, and does not readily give service to those individuals who receive passports from the British Government.

The Horse Artillery of Runject's army consist of guas of small calibre, and their field equipments resemble that of our late Foot Batteries; and consequently such artillery would be outerly unable to cope with our Horse Artillery; still, as these guas are drawn by horses, their fire would be always available, which is not the case with Bullock Artillery.

General Abstract of the Forts, Ordnauce, and Army of Maha

Infanity commanded by Nasive reach consisting up from 900 to 15,000 men.

Grand total of the Army

In 1793 adds our Merral contemporary, Tippoo Sultan's field army was estimated at 47,470 fighting men, and his revenues at one crope of rupers. Runject Singh's army annuality to 73,000 men, and his revenue to one core and 80 haklis of rupers.—Times, Aug. 27.

them.

I entreat all those who have been persecuted for the sake of iny sen or. of me, those who have given me counsel of which I was deprived, in spite of the sad position to which I was I was deprived, in spite of the sad position to which I was reduced; all those who protested in the name of France and in mine against the sequestration and the moral violence which stiffed even my complains—I entreat all of them to receive the ensurrance that I will never forget their affection, or the ensurrance that I will never forget their affection, or the ensurrance that I will never forget their affection, or the ensurrance that I will never forget their affection, or the ensurrance that I will never forget their affection, or the ensurrance that I will never the former towards friends, whose devotion I know two well to question their conduct, have greatly offended me; I disavow with in a dignation these injurious suppositions—

Whatever may be the future lot that Providence reserves for my son, to love France, to devote his cares and life to remain the should not be himself charged with insuring her happiness—

The entreat all those who happy—

I was deprived, in spite of the moral violence reserves or my son, to love France, to devote his cares and life to remain the should not be himself charged with insuring her happiness—

The entreat all those who happy—

I was deprived in the name of France of the moral violence and in the moral violence and in the moral violence and in the moral violence which is a series of the moral violence and in the moral violence

The influence of English these series and the constant of the control of the cont

The Gasette de France has just published an article, which we cannot but call very curious, and which we should not think to breeless justified in withholding from our readers. It is a protest signed Marie Caroline, and sent to the legitimatist journal by M. Aymar de Dampierre. Till the authenticity of this protest is established and soknowledged by the small number of persons who still employ themselves in affairs of insuffer of persons who still employ themselves in affairs of number of persons who still employ themselves in affairs of number of persons will be greatly obliged to her; but she for which has friends will be greatly obliged to her; but she for which has friends will be greatly obliged to her; but she persons them no information on the less chivaleous finals to her heroism, and it may be remembered that some had still the couries, to expect it.

According to appearances, the party will again be divided and this last episode of the events at Blaye, for the Quotidiense does not insert the document published by the Guzette, no doubt because it does not approve of it, as contrary to the opinion of M. Kergorlay. The Renovateur keeps the same sitence.

D

"I the mether of Henry V.. came without any other support than his misfortunes and his good right to put an end to the estamities of France, by establishing in that kingdom legitimate authority, order, and stability, the necessary pledges of the peace and prosperity of nations.

"Treason delivered me into the hands of my enemies; having been detained prisoner a long time, and oppressed by having been detained prisoner a long time, and oppressed by his pratitude, and suffered with resignation the evin worm which he usurpation of the rights of a child whom justice, the ties of blood, honour, and sworn faith, bound them to protesting the process of the surpation of the rights of a child whom justice, the ties of blood, honour, and sworn faith, bound them to protesting the process of attachment; my heart will always remember the statements of attachment; my heart will always remember
