The light that shines out of
Darkness

2 Cor. 4 vs 1-6 ; vs 16-18

2 Cor. 4 vs 2 - In the full light of truth we live in God's sight & try to commend ourselves to every one's good conscience

2 Cor. 4 vs 18: For we fix our attention not on things that are seen, but on things that are unseen.

All human beings, consciously or unconsciously, build their lives on certain values. What they are, what they do, what they accomplish is largely determined by these values.

Ben Klopper was a person who consciously, through his whole life, developed & maintained a value system of ~~ethical~~ spiritual & ethical goals which moulded his whole life & service. Two passages in the N.I. readings, 2 Cor 4 vs 2 & 2 Cor 4 vs 18 form for me the basis, the foundation, on which Ben built his life: "In the full light of truth we live in God's sight" And: "To fix our attention on things that are unseen".

What were these values?

① Justice, righteousness, "fairplay"

② Integrity - personal, business, political

③ Compassion:

④ Loyalty:

- Juanita - Supreme Counsel for SA 1992
- These were the values he sought + upheld
in his service to the Ice Museum

- Love for children

Daughters: 1. Bernice

2. Tasha: "My love, if you were
to meet her, you'd be glad to see her"
