Ephesians 5 vs. 1-20.

Ephes. 5 vs. 8 + 9:

I New life in S.A.:

1. New constitution,
New democratic govt, non-racial, non-
sexist - ~~for~~ equal polit. rights for all.

2. New exciting plans for development: In

every sector of our society:

- employment
- housing
- education
- health
- econ. growth

3. New spirit of reconciliation, Commit-

ment & contribution to restructuring
of our country:

- On govt level (national & regional)
- On community level - ^{health care} schooling, education,
- On personal, individual level:
newspapers, radio, TV.

2.

But there is also a negative side, a dark side which we can not remain silent about:

- S.A. one of highest divorce rates in world
- S.A.'s shocking crime rate
- S.A.'s sewers drug traffic (Nigerian people)
- S.A.'s practices of corruption (culture of corruption)
- S.A.'s high abuse of women & youth (rape e.g. even on church ~~preachers~~ ^{frands}) theft of babies & children (1800 is one year)

Causes: Many - name few.

Solution: Attitude of many citizens:

- "The govt must attend to this; the govt must do that"

Trues: the govt can do something but it cannot do everything. There are many solutions which the govt cannot provide! (Can change laws, but not hearts!)
