zoodanige ziekte of zwakheid als voormeld laboreert, zal de boedel van iederen zoodanigen testateur onderhevig zyn aan en belast worden met het onderhoud van zoodanigen geapprenticeerden arbeider, even als of de gem. testateur zoodanige obligatie als voormeld in zynen of haren leeftyd had gepasseerd.

4. En ter voorkoming dat onkundige geapprenticeerde arbeiders hun ontslag koopen van personen die buiten staat zyn eenig wettig regt daarop te geven, zal het ieder persoon, de diensther synde van eenig geapprenticeerd arbeider in de gemelde kolonie, verstaan, met zoodanig geapprenticeerd arbeider, door bemiddeling van eenigen zoodanigen specialen Vrederegter als voormeld, handelende voor en van wege zoodanig geapprenticeerd arbeider, doch niet anders, wegens het ontslag van den gem. geapprenticeerden arbeider, te kontrakteren, tegen eenen tyd tusschen den gem. diensther en den gem. specialen Vrederegter respectivelyk overeentekomen prys; en in geval van eenig zoodanig kontrakt, zal het de pligt van den gem. specialen Vrederegter zyn, zich van wege den gem. geapprenticeerden arbeider, te overtuigen, dat de persoon die voorstelt het gem. ontslag te bewerkstelligen, volgens de wetten goed regt en titel heeft en bevoegd is hetzelve te doen; en het zal mede de pligt van den gemelden specialen Vrederegter zyn, om zonder eenige fooys of belooning; in elk zoodanig geval, de behoorlyke akte van ontslag optemaken, welke in alle gevallen zal moeten worden gepasseerd in de tegenwoordigheid van, en gecertificeerd door den gem. specialen Vrederegter, of eenig ander geschikt persoon, welke door hem als zoodanig getuige daartoe special. zal worden benoemd; en elke zoodanige akte dus gepasseerd synde, zal door zoodanigen specialen Vrederegter moeten worden geregistreerd by het Hooge Geregtshof van Civile Justitie in en voor de gem. Kolonie de Kaap de Goede Hoop, binnen eene kalender maand volgende op den datum en uitvoering daarvan; en in geval eenige zoodanige akte door den gem. specialen Vrederegter niet binnen den gem. tyd van eene kalender maand dus zal worden geregistreerd, zal de gem. speciale Vrederegter verbonden en onderhevig zyn aan de betaling eener boete van niet minder dan tien ponden, noch meer dan vyftig ponden sterling.

5. En ten einde te voorzien voor het ontslag van geapprenticeerde arbeiders, die verlangend zyn hetzelve te bekomen, in gevallen waar de diensther van zoodanige geapprenticeerde arbeiders, ongenegen of buitenstaat zyn voor zoodanig ontslag te kontrakteren, of de diensther van eenig geapprenticeerd arbeider, of eenig persoon die eenig belang heeft in eenig zoodanig geapprenticeerd arbeider, ongenegen of onwillig zal zyn, om zyn of haar ontslag te verleenen, of om reden van eenig verband, of erfmaking, of verhuring, of last op, of eenig belang in eenig zoodanig geapprenticeerd arbeider, gerentigd in eenig ander persoon of personen, buitenstaat zyn een wettig en behoorlyk ontslag van zoodanig geapprenticeerd arbeider daar te stellen, of indien de dienstheer, of eenig ander persoon een verband hebbende op, of belang in eenigen geapprenticeerden arbeider, een minderjarige zal zyn, of eene getrouwde vrouw, of eene krankzinnige; of indien de ware diensther van zoodanigen geapprenticeerden arbeider buiten de Kolonie zal afwezend zyn, of niet bekend zal zyn, of indien eenig proces of actie hangende zal zyn voor eenig geregtshof in de gem. Kolonie, waarin het regt op de diensten van zoodanigen geapprenticeerden arbeider wordt of kan worden betwist; of indien de diensther van eenigen zoodanigen geapprenticeerden arbeider, als den prys van zyn of haar ontslag, eene grootere som gelds zal vragen dan den gem. specialen Vrederegter zal voorkomen als de billyke en regtmatige waarde daarvan, dan en in ieder der gevallen boven vermeld, zal het voor den gem. specialen Vrederegter, of ingeval het zal komen te blyken aan de gez. Hoofd-Justicier of eenig Regter van het Hooge Geregtshof, dat een vol en valide ontslag niet wettigelyk by eenig privaat kontrakt kan worden daargesteld, of dat de diensther van zoodanigen geapprenticeerden arbeider, of ander persoon hebbende een verband of belang in de diensten van den geapprenticeerden arbeider, een minderjarige is, of eene getrouwde vrouw, of krankzinnige, of de diensther van den geapprenticeerden arbeider, of ander persoon, hebbende eenig verband op of belang in de diensten van zoodanigen geapprenticeerden arbeider, afwezig uit de gez. Kolonie, of onbekend is, of niet kan gevonden worden, of dat eene actie hangende is voor eenig der Geregtshoven van de gez. Kolonie, waarby het regt op de diensten van zoodanig geapprenticeerd arbeider in geschil is, dan en in ieder zoodanig geval zal de gez. Hoofd-Justicier, of eenig Regter van het Hooge Geregtshof, den gez. specialen Vrederegter, en den diensther van zoodanigen geapprenticeerden arbeider, compareerende ingevolge van zoodanige kennisgeving, gelasten ieder eenen taxateur van de waarde van zyne of hare diensten, gedurende het overige van zoodanig apprenticeschap, te benoemen, en de gez. Regter zal zelf een superarbiter tusschen zoodanige taxateurs benoemen. Maar indien zoodanig diensther, naar behooren gedagvaard zynde, niet zal compareren, of compareerende, zal weigeren of verzuimen eenen taxateur te benoemen, dan zal de gez. Regter niet alleen zoodanigen super-arbiter benoemen, maar mede eenen taxateur, ten behoeve van zoodanigen dienstheer.

7. De taxateurs dus benoemd als voormeld, zullen behoorlyk moeten worden beëdigd door en voor den gez. Hoofd-Justicier, of eenig Regter van het Hooge Geregtshof, over eene billyke en regtmatige taxatie te maken van de waarde en de diensten van den geapprenticeerden arbeider, wiens ontslag dus wordt voorgesteld; en binnen zeven dagen na hunne benoeming, zullen zoodanige taxateurs eene gezamenlyke taxatie van de gez. diensten moeten maken, en zoodanige hunne taxatie aan den gez. Hoofd-Justicier, of Regter van het Hooge Geregtshof, onder hunne hand en zegel moeten certificeren, en in gevalle zoodanig gezamenlyk certifikaat, niet op zoodanige wyze zal worden gemaakt en afgeleverd aan den gez. Regter binnen den ges. tyd van zeven dagen, dan zal de gez. super-arbiter, na behoorlyk bedieligd te zyn als boven gezegd, binnen de eerstvolgende zeven dagen eene taxatie aan den gez. Regter moeten certificeren; en de valuatie gemaakt in manieren dus omschreven, hetzy door de gezegde gezamenlyke taxateurs, of by default van hen, door den gez. super-arbiter, verbindend en beslissend zyn, en worden gecertificeerd in de minuten van het Hooge Geregtshof van Civile Justitie in en voor de ges. Kolonie.

8. Met dien verstande nochtemin, dat wanneer aan den gez. Regter zal blyken, binnen eene maand nadat zoodanige valuatie geschied is, dat de ges. taxateurs of super-arbiters, of iemand hunner, fraudeleus of onregtvaardiglyk hebben of heeft gehandeld, of onder den invloed van eenige ongepaste bewegreden, of onder misgissing ten aanzien van den aard hunner of zyner pligt, of onder valsche voorstelling van eenige materiele daadzaak, dan, maar niet anders, zal het den gem. Regter vrystaan de gemelde valuatie ter zyde te stellen en dezelve van geene waarde te verklaren, en te gelasten dat eene andere valuatie zal worden gemaakt, in maniere boven omschreven, tot welk einde nieuwe taxateurs en eenen nieuwen super-arbiter in manière bovengem. zullen worden benoemd en bedieligd, en zullen voortgaan tot het maken van eene tweede valuatie, welke gecertificeerd synde aan den gez. Regter in maniere voormeld, tot alle einden verbindend en bedilmend zal zyn. Wel te verstaan, dat zoodanige tweede valuatie of eenige volgende valuatie, op gelyke wyze zal kunnen worden ter zyde gesteld door eenigen zoodanigen Regter, op de gronden voormeld, tot eene valuatie zal zyn bekomen welke niet onderhevig is aan zoodanige objection.

9. En zy het mede wel verstaan, dat wanneer het bedragen van eenige zoodanige valuatie niet zal worden betaald in maniere hieronder omschreven, binnen drie maanden volgende op het enrollement daarvan, zoodanig enrollement zal worden vernietigd.

10. Op of binnen drie kalender maanden, volgende op het enrollement in het Hooge Geregtshof van de gem. Kolonie van eenige zoodanige valuatie als voormeld, zal het zoodanig specialen Vrederegter als voormeld voor de gem. Kolonie vryvaren, uit de gelden hem tot dat einde verstrekt door den geapprenticeerden arbeider die zal worden ontslagen, aan den Thesaurier van de gem. Kolonie te betalen, de getaxeerde waarde van de diensten van zoodanigen geapprenticeerden arbeider, nemende een recu in geschrifte van den gez. Thesaurier, voor iedere zoodanige betaling; en de Hoofd-Justicier, of eenig Regter van het Hooge Geregtshof der gem. Kolonie, zal, op aanzoek by hem tot dat einde gedaan door den gem. specialen Vrederegter, eene order uitmaken voor het enrollement in het ges. Hooge Geregtshof van zoodanig recu, en de gem. Hoofd-Justicier, of eenig Regter van het Hooge Geregtshof, zal by zoodanige order verder voortgaan te verklaren en toetewyzen, dat de geapprenticeerde arbeider, door of ten wiens behoeve zoodanig geld betaald is, is ontslagen, en zoodanig geapprenticeerd arbeider zal daarop zyn, en gevorderd worden te zyn, en aangezien als geheellyk ontslagen uit zoodanig apprenticeschap.

11. De gelden voortspruitende uit het ontslag van eenigen op en in de diensten van eenige zoodanige geapprenticeerde arbeiders, zal by het overlyden van zoodanigen diensther overgaan en gevestigd worden in zoodanige en dezelfde persoon of personen, die, indien de gem. Acte niet ware gepasseerd geworden, by testament of opvolging, naar het geval mogt zyn, geregtigd zouden zyn tot zoodanigen geapprenticeerden arbeider, als synen, haren, of hunnen slaaf, en zoodanig regt of belang zal overgaan en transportabel zyn *later vices*; op zoodanige manier en vorm, en onder en uit kracht van zoodanige acten, instrumenten en transporten, als slaven tot nog toe transportabel zyn geweest, en overgegaan zyn binnen de gezegde Kolonie, en zullen onderhevig zyn aan arrest, en in executie kunnen worden genomen en verkocht in voldoening aan eenig vonnis of decreet van eenig Gerechtshof van bevoegde jurisdictie.

Met dien verstande altyd, dat geen zoodanig geapprenticeerd arbeider publiek of privaat zal mogen worden ten toon gesteld, of gehouden zyn of kunnen gedwongen worden in persoon tegenwoordig te zyn op den tyd en de plaats van eenigen verkoop of transport zyner of harer diensten.

KAP. XI.

Over de betrekking waarin de geapprenticeerde arbeiders zullen staan tot den staat.

Geen geapprenticeerd arbeider zal gedurende zyn of haar apprenticeschap onderhevig of bevoegd zyn om Zyne Majesteit te dienen in eenig burgerlyk ambt of in eenige militaire betrekking binnen de gemelde Kolonie, of eenige politieke vryheden daarin bezitten of uitoefenen.

Met dien verstande altyd, dat niets hierin vervat eenigen zoodanigen geapprenticeerden arbeider zal vrystellen van de verpligtingen om Zyne Majesteit indien dienst, civiel of militair, te doen, in geval of in het vooruitzigt van eenigen inval, oproer of groote publieke nood, als door Zyne Majesteit, of door den Gouverneur in der tyd van de gezegde Kolonie, of door eenig ander bevoegd gezag, hem zal worden opgelegd.

En mede wel te verstaan, dat niets hierin vervat zal strekken of zal geacht worden te strekken, om eenigen zoodanigen geapprenticeerden arbeider gebevoegd te maken voor het waarnemen of volbrengen van eenig officie of bezigheid in de dienst van eenig gecorporeerd of geestelyk lichaam, of van eenig persoon of personen, in gevallen waar zoodanige bezigheden of affairen niet verbonden zyn met de volbrenging van eenige militare of politieke pligten.

"In den morgen van den 14 dezer, ontstond alhier eene hevige aardbeving, die omtrent 5 minuten duurde. Het Gouvernements Paleis is ingestord, en ook verscheidene andere Gouvernements gebouwen; ook is naby Buitenzorg, omtrent een uur van Batavia, een geheele stal met paarden en vyf menschen in de aarde verzonken; deze aardbeving wierd nog gevolgd door mindere,—het was hier een geheele opstand,—de menschen waren bevreesd om in hunne huizen te slapen. Men zegt dat de aardbeving ontstond door een Berg (Vuurspuwende Berg) te *Djohjocarta* en dat er vele ongelukken hebben plaats gevonden in de binnenlanden van Java, doch wy hebben er nog geene tyding van gekregen."

DRAFT OF AN ORDINANCE.

Proposed by the Governor of the Cape of Good Hope to the Legislative Council thereof,

(Concluded from our last.)

CAP. VIII.—*On the Dissolution of the Apprenticeship by Contract or Appraisement.*

1. Subject to the regulations hereinafter made, any person being the employer of any apprenticed laborer in the Colony of the Cape of Good Hope, may, by his or her last will, or by deed under his or her hand or seal, at his or her pleasure, discharge any such apprenticed laborer, so far as relates to the interest of every such testator or grantor, and that every such discharge shall, as far as relates to the interest of the testator or grantor, as the case may be, but no further, or otherwise be valid and effectual in the law for the perpetual discharge of any such apprenticed laborer: Provided nevertheless, that no person having a partial or temporary interest in any apprenticed laborer, may, to the extent of such interest, effect his or her discharge, gratuitously, unless all other persons, having a partial, future, or reversionary interest in such apprenticed laborer, shall consent, or be parties to such discharge, or unless such partial, future, or reversionary interests shall be purchased in the manner hereinafter provided.

2. And in order to prevent the fraudulent discharge of apprenticed laborers, incompetent from age or disease to earn their own living, it is further ordered, That in case any such deed of discharge shall be executed gratuitously and without any valuable consideration passing to the employer or other person effecting the same, the apprenticed laborer so to be discharged shall, previously to the actual execution of any such deed, appear before the special Justice for the district in which the apprenticed laborer is resident; and if it shall appear to the said special Justice that such apprenticed laborer is under the age of fourteen years, or above the age of fifty years, or is laboring under any habitual disease or infirmity of mind or body, the employer or person effecting such discharge shall, under his or her hand and seal, execute and deliver to the said special justice a bond to His Majesty in the penal sum of fifty pounds, with a condition thereunder written for the defeazance thereof, if such apprenticed laborer shall be properly fed, clothed, and maintained, until the time when the term of apprenticeship would have expired, if such discharge had not been made; and no such gratuitous discharge shall be valid and effectual in the law, until such bond as aforesaid shall be duly executed.

3. Provided nevertheless, That no such bond as aforesaid shall be required in the case of any discharge by will; but if at the time of the death of the testator, the apprenticed laborer so discharged shall be under the age of fourteen years, or above the age of fifty years, or laboring under any such disease or infirmity as aforesaid, the estate of every such testator shall be liable to, and chargeable with, the maintenance of such apprenticed laborer, as fully as if the said testator had, in his or her life-time, executed such bond as aforesaid.

4. And, to prevent ignorant apprenticed laborers effecting the purchase of their discharge from persons unable to make any valid title to the same, it is and shall be lawful for any person, being the employer of any apprenticed laborer in the said Colony, to contract with such apprenticed laborer, through the agency of any such special justice as aforesaid, acting for and on behalf of such apprenticed laborer, but not otherwise, for the discharge of the said apprenticed laborer, at a price to be agreed upon between the said employer and the said special justice respectively; and in case of any such contract, it shall be the duty of the said special justice, on behalf of the said apprenticed laborer, to satisfy himself that the person proposing to effect the said discharge, has good right and title in the law, and is competent to effect the same; and it shall also be the duty of the said special justice, without fee or reward, to prepare, in every such case, the proper deed of discharge, which shall in all cases be executed in the presence of, and attested by, the said special justice, or some proper person to be especially appointed by him to be such witness thereto; and every such deed being so executed shall, by such special justice, be enrolled in the Supreme Court of Civil Justice in and for the said Colony of the Cape of Good Hope, within one calender month next after the date and execution thereof; and in case any such deed shall not be so enrolled by the said special justice, within the said period of one calendar month, the said special justice shall incur and be liable to the payment of a fine of not less than ten pounds, nor more than fifty pounds.

6. And to provide for the discharge of apprenticed laborers desiring to obtain the same by purchase, in cases where the employers of such apprenticed laborers may be unwilling or unable to contract for such discharge, the employer of any apprenticed laborer or any person having any interest in any such apprenticed laborer, shall be unwilling to effect his or her discharge, or shall, by reason of any mortgage or settlement, or lease or charge upon, or interest in such apprenticed laborer being vested in any other person or persons, be unable to execute a valid and effectual discharge of such apprenticed laborer; or if the employer, or any other person having a charge upon, or interest in, any such apprenticed laborer, shall be a minor, or a married woman, or idiot, or lunatic; or if the real employer of any such apprenticed laborer shall be absent from the said Colony, or shall not be known; or if any suit or action shall be depending in any Court of Justice in the said Colony, wherein the right to the service of such apprenticed laborer shall or may be in controversy; or if the employer of any such apprenticed laborer shall demand, as the price of his or her discharge, a greater sum of money than may appear to the said special justice to be the fair and just value thereof; then, and in each and every of the cases aforesaid, the Chief Justice, or any Judge of the Supreme Court of the said Colony, on application to him for that purpose made by the said special justice, shall issue a summons under his hand and seal, requiring the employer of such apprenticed laborer to appear before him at some convenient time and place to be in such summons for that purpose appointed, and notice shall be published by the said special justice in the public Gazette of the said Colony, of the time and place appointed for the purpose aforesaid; and in such notice, all persons having or claiming to have any title or interest to or in the services of the apprenticed laborer proposed to be discharged, either in their own right, or as the agents, guardians, attornies, trustees, or representatives of any other person, shall be required to attend and prefer such claims.

6. At the time appointed for any such meeting as aforesaid, the Chief Justice or any judge of the Supreme Court of the said Colony, in the presence of the said special justice, and also in the presence of the employer of the apprenticed laborer proposed to be discharged, or upon proof being made to him upon oath of the due service and publication of such notice as aforesaid, then, if necessary, in the absence of such employer, shall proceed to hear in a summary way what may be alleged by the said special justice, and by the employer, or other person claiming any interest in the services of the apprenticed laborer proposed to be discharged, and attend in pursuance of any such notice; and in case the said parties, or any of them, shall refuse to effect such discharge at a price approved by the said special justice, or in case it shall be made to appear to the said Chief Justice or any judge of the Supreme Court that a valid and effectual discharge of such apprenticed laborer cannot legally be effected by private contract, or that the employer of such apprenticed laborer, or any person having any charge upon or interest in the services of such apprenticed laborer, is a minor, or a married woman, or idiot, or lunatic, or that the employer of the apprenticed labourer, or any person having any charge upon, or interest in, the services of such apprenticed labourer, is absent from the said Colony, or is unknown, or cannot be found, or that any action is depending in any court of justice in such Colony wherein the right to the services of such apprenticed labourer is in controversy, then, and in every such case, the said Chief Justice or any judge of the Supreme Court shall require the special justice and the employer of such apprenticed labourer, if attending in pursuance of such notice, each to nominate an appraiser of the value of his or her services for the remainder of such apprenticeship, and the said judge shall himself nominate an umpire between such appraisers; but if such employer, being duly summoned as aforesaid, shall fail to attend, or attending shall refuse or omit to nominate an appraiser, then the said judge shall not only nominate such umpire as aforesaid, but shall also nominate an appraiser on behalf of such employer.

7. The appraisers so to be nominated as aforesaid, shall be duly sworn by and before the Chief Justice, or any judge of the Supreme Court, to make a fair and impartial appraisement of the value of the services of the apprenticed labourer so proposed to be discharged, and within seven days next after such their appointment, such appraisers shall make a joint valuation of the said services, and shall certify such joint valuation to the said Chief Justice, or any judge of the Supreme Court, under their hands and seals, and in case such joint certificate shall not be so made and delivered to the said judge within the said term of seven days, then the said umpire, being duly sworn in manner aforesaid, shall within the next succeeding seven days certify his valuation to be said judge; and the valuation to be made in manner aforesaid, either by the said joint appraisers, or in their default by the said umpire, shall be binding and conclusive, and shall be entered and enrolled among the records of the Supreme Court of civil justice in and for the said Colony.

8. Provided nevertheless, that if it shall be made to appear to the said judge, within one calendar month next after such valuation shall have been made, that in the making thereof the said appraisers or umpire, or any of them, acted fraudulently or unjustly, or under the influence of any improper motive, or under any mistake as to the nature of their or his duty, or under any misapprehension of any material matter of fact, then, but not otherwise, it shall be lawful for the said judge to set aside the said valuation, and to declare the same to be void, and to direct another valuation to be made in manner aforesaid, for which purpose new appraisers and a new umpire shall in manner aforesaid be appointed and sworn, and shall proceed to make a second valuation, which being certified to the said judge in manner aforesaid, shall be to all intents and purposes binding and conclusive: Provided that such second or any subsequent valuation may in like manner be set aside by any such judge on the grounds aforesaid, until a valuation is made not open to any such objection.

9. Provided also, That if the amount of any such valuation shall not be paid in manner hereinafter mentioned, within three calendar months next after the enrolment thereof, such enrolment shall be cancelled.

10. Upon or within three calendar months next after the enrolment in the Supreme Court of justice of the said Colony of any such valuation as aforesaid, it shall be lawful for any such justice as aforesaid of such Colony out of any monies to be supplied to him for that purpose, by the apprenticed labourer proposed to be discharged, to pay to the Treasurer of the said Colony, the appraised value of the services of such apprenticed labourer, taking a receipt in writing from such Treasurer for every such payment; and the Chief Justices, or any judge of the Supreme Court of the said Colony shall, upon application to him for that purpose made by the said special justice, make an order for the enrolment in the said Supreme Court of justice of such receipt, and the said Chief Justice, or any judge of the Supreme Court, shall by such order further proceed to declare and adjudge, that the apprenticed labourer, by or on behalf of whom such money hath been paid, is discharged; and such apprenticed labourer shall thereupon be, and be deemed taken, and reputed to be discharged to all intents and purposes from such apprenticeship.

11. The money to arise from the discharge of any apprenticed labourer by virtue of the proceedings before mentioned shall remain in the hands of the public Treasurer of the said Colony, and shall bear interest as and after the rate of five pounds per cent. per annum, and His Majesty's revenue in the said Colony shall, and is hereby declared to be pledged and responsible for the due payment of such principal money and interest; or shall in the discretion of such Treasurer be invested in the purchase, in his name, of any public funds or securities of Great Britain and Ireland; and the Chief Justice, or any judge of the Supreme Court of the said Colony, shall, and he is hereby authorised, upon application to him for that purpose made, to direct that the money in the hands of the said Treasurer, and the interest accruing on such money, or the public funds of Great Britain and Ireland so to be purchases as aforesaid, and the dividends payable thereupon, shall be the property of the person or persons who was or were entitled to the services of such discharged apprenticed labourers, and shall be subject and liable to all such and the same uses, trusts, limitations, conditions, mortgages, claims, and demands of what nature or kind soever, as such services were subject unto at such time of the discharge of such apprenticed labourer. And the said Treasurer shall hold said money, and the interest accruing thereupon, or the said public funds and dividends, subject to such order as such Chief Judge of the said Colony may, upon a summary application of any person interested therein, and upon notice to all other persons interested therein, or their agents, see fit to make; and such principal money and interest shall by such Treasurer be paid and disposed of in pursuance of, and in obedience to, any such order.

12. It shall and may be lawful for the Chief Justice, or any judge of the Supreme Court, of the said Colony to make and prescribe, and from time to time to revoke and alter, as occasion may require, all such rules and orders as may be necessary for the regular and proper exercise of the jurisdiction hereby in him vested, and for regulating the proceedings of all persons who may be parties to or interested in any question so depending before him.

CAP. IX.—*On the Apprenticeship of Children.*

Every indenture of apprenticeship to be made and entered into by any such special justice as aforesaid, in pursuance of the said Act of Parliament, on behalf of any children of any apprenticed labourers shall be in the form annexed, marked with the letter F, and shall be kept and recorded in the office of the special justice for the district to which such apprenticed child may belong.

CAP. X.—*On the Alienation by Sale, or Will, of the services of apprenticed Labourers.*

The right or interest of any employer or employers to and in the services of any such apprenticed labourers as aforesaid, shall, upon the death of any such employer, pass to and become vested in such and the same person or persons as, if the said Act had not been passed, would by will or descent, as the case may be, have been entitled to such apprenticed labourer, as his, her, or their slave, and such right or interest shall pass and be transferable, *inter vivos*, in such manner and form, and under and by virtue of such deeds, instruments, and conveyances as slaves have hitherto been transferable, and have passed in the said Colony, and shall be liable to be seized and taken in execution and sold under process of law in satisfaction of any sentence or judgment of any court of competent jurisdiction.

Provided always, that no such apprenticed labourer shall be publicly or privately exhibited, or be liable or compelled to attend in person at the time or place of any sale or transfer of his or her services.

CAP. XI.—*On the Relation in which the Apprenticed Labourers will stand towards the state.*

No apprenticed laborer shall, during the continuance of his or her apprenticeship, be liable or competent to serve His Majesty in any civil office or in any military capacity within the said Colony, or to enjoy or exercise any political franchise therein.

Provided always, that nothing herein contained shall exempt any such apprenticed labourer from the obligation of rendering to His Majesty any service, civil or military, which, in case or in the prospect of any invasion, rebellion, or any great public exigency, may by His Majesty, or by the Governor for the time being of the said Colony, or by any other lawful authority, be imposed upon him.

Provided also, that nothing herein contained extends or shall be construed to disqualify any such appointed labourer from undertaking and discharging any office or employment in the service of any corporate or ecclesiastical body, or of any person or persons, in cases where such employments or offices may not be connected with the discharge of any military political duties.—(*Here follow the forms, &c. referred to in the foregoing Order in Council.*)

TO THE EDITOR OF "DE ZUID-AFRIKAAN."

SIR,—In reading over the proceedings of the Legislative Council, I find it observed by Colonel Bell that the income of District Surgeon, in one District, has increased £100 beyond the former amount, which, by the late regulations, has been imposed upon us as a specimen of the encouraging views of the Home Government, if this be their mode or idea of political economy; for what use has been the whole life of Jeremy Bentham?—he has labored in vain to infuse the particles of common sense into the cerebrum of our Ministers.—But, to be serious, Mr. Editor, this new arrangement carries with it more important matter than a superficial view of the subject presents, and it shall be my endeavour to expose the abuses such an arrangement may engender.—In the present refined state of society, and the superior acquisitions, honorable conduct, and patriotic feeling of our Functionaries, it is not at all probable that mis-rule or mis-use, much less *want of principle*, will take place, but just let us state the opportunities for so doing, which are offered by
