Dear Andrezj

PROPOSED JAZZ AND HERITAGE FESTIVAL 1988

Last Saturday's Carling Circle of Jazz concert on the City Hall steps was a resounding success and I've enclosed some news publicity that endorses our claim to the fact that Durban is certainly South Africa's 'Jazz Centre'.

If we could hopefully capitalise on this interest/publicity and also that the Durban Jazzanians will be appearing in Detroit soon, I am sure that we could solicit some interest from Fedhasa and any other possible backers for this proposed Festival.

A Jazz and Heritage Festival in Durban in July 1988 will, I am sure, generate publicity both locally and internationally and of course, focus on the immense jazz talent that we have in this city.

Yours sincerely,

DAVID MARKS
