RE : INTERNATIONAL & AFRICAN ARTISTS FOR SA FOLK FESTIVAL  
-----

Dear Buskers,

Thank you for your response to our proposal of touring international acts.

We have now secured STEVE FORBETT (solo singer songwriter from NASHVILLE) who is a dynamic performer and recently has topped the charts in KwaZulu-Natal and in the Gauteng region with his song "THINGS WERE BETTER BACK THEN". He is available to tour South Africa directly after SPLASHY FEN at the end of APRIL 1996.

SPLASHY FEN will take on 1.5 of two air fares ex USA for the proposed South African tour much in the same way as we did with SHAWN PHILLIPS. WE NEED TO KNOW BEFORE THE  
\* 1st NOVEMBER whether or not you would be interested in sharing these travel costs and if you feel he could appear in your city, for his fee of \$1250,00.

Regards,

pp  DAVID MARKS
