RE: WOMAD UPDATE

Comrade,

Please let me know your thoughts on the local "Guitars For Africa" lineup and if there is anybody who you feel should not be there and who you want to include. I think the entire concert should be about one and a half to two hours in total.

Speak to you soon

DAN

*PS – When's the rehearsal ?

Projected Lineup (as at 15/10/1998)

= maybe * = ex Real Concerts
