Re: Your information & Faxes on DON WILLIAMS & THE BHUNDU BOYS

Apologies for not replying sooner - thank you for your interest, promo material & Faxes. Greatly appreciated - as I explained to Debbie (and Gordon?) on the phone, 3eM is interested in hosting DON WILLIAMS both in Zim and Azania.

However we are obligated to WILLIE NELSON for the May/June SA tour and we suggest that it would be in your interest to see what sort of business Willie does before you commit. (Can you ask your principles/investors to hold tight?) We understand that you have to plan - but there aren't too many promoters who can do the sort of tour that 3eM can. We prefer to focus on one or two good tours a year.

DON WILLIAMS and the BHUNDU BOYS will be a major project that we would like to concentrate on - November early December 1997 or perhaps the first 2 months in 1998? 3eM will have enough time from July, if that's OK with DON.

Thank you for considering 3rd Ear Music - we will keep in touch.

With best regards,

DAVID MARKS
