Dear Jeff,

Thanks for the Triloka delivery - did they comment or get back to you? Haven't heard a word - we needed to make a decision on Pieter-Dirk Uys's TRUTH OMISSIONS before his New York Times interview & Brooklyn & Canadian shows (All sold out by the way).

We are considering other options & offers for both PDU & my HIDDEN YEARS especially as negotiations for the June/July Campus tour of the USA are well underway. When next you are in Santa Fe would you please retrieve the samples from SHIVA BAUM. Tell him thanks for his interest & if there is anything else that he would like to hear, to please stay in touch. I will relay this to him with 3eM's best wishes for considering our material & music.

Did you get my CD's from Bev in New Jersey? Please let me know.

3rd Ear Music Touring news:

RICHIE HAVENS arrives here on Tuesday, so I will be off on tour for two weeks. I am mixing for him & the support bands. ROGER & my HIDDEN YEARS band open for him in Johannesburg & BRIAN opens for RICHIE with ADAMU (from Angola) in Cape Town. MIKE SMITH (Swaziland Reggae act) supports him in Durban. It's going to be quite a tour. We then follow it with JONATHAN BUTLER for a 3 week sell-out tour.

PETER is getting wound up to take over 100 Musicians to the FIN DE SIECLE FESTIVAL in NANTES France in 2 weeks - 'Maskandi' Musicians, choirs, dancers, a rock band & some jazz (with DARIUS BRUBECK)....so we are loaded & busy. A further 200 musicians are coming from Johannesburg & Cape Town. That's a plane load of 'unkowns' into Europe....most who have never seen the inside of an airport.

Thanks again for the great week in New Mexico & the offer to help deliver our stuff.

best regards,

DAVID
