

FOLK SINGER: David Marks
(Astra)***

SOUTH AFRICA'S most successful composer of folk songs, Dave Marks, appears in a new role at the Astra Hotel, Durban, where he entertains his many followers by singing his own songs.

We don't often get the chance of hearing how the composer would deliver the material he's written himself and this makes an evening with Mr. Marks an interesting experience.

All the well-known favourites are rolled out — Master Jack, Mr. Nick, Mountains of Men.
