Dear David,

Please find enclosed a cassette copy of the "In the Summertime" Dance Rave
Medley CW "In the Summertime" single that I spoke to you about. This record is
scheduled for an extensive promotional campaign in some European territories
together with a video of the single. It would be good if you could secure a
release in S. Africa and use it to promote the compilation LP, we could change
some of the LP tracks if required to cater for your market.

I look forward to hear from you.

All the Very Best,
