PEACE, LOVE, MUSIC and UNDERSTANDING, it's what the world needs a whole lot of right now, and I hope you find it all throughout this twenty four hour festival. It's a National holiday, also the Day of Atonement for our Jewish friends, let's celebrate it peacefully, like the rest of South Africa, and return home completely fulfilled.

The music, supplied by an all South African line up of talent is of a tremendous standard, I hope you enjoy it. We welcome the people who have come from as far away as Durban and Cape Town, and hope they enjoy their stay, and later, return home safely. For us all I ask for peace, love and understanding.

Billy Forrest.
