MESSRS. J. H. BAM & Co.,

BEG to advise the Public, that they have opened a Shop in the well-known Premises of, and next door to the Dispensary of Messrs. KUNHARDT & Co., in Heeren-gracht, where they profess to deal daily in Articles of the best quality, by Wholesale and Retail.

Their Stock of CIGARS and TOBACCO is of the choicest kind, and comprises MARILLAS of a quality rarely, if ever imported into this Colony. Havanna, van Zansty, China, &c. &c. Their SNUFFS, independent of the usual variety of Foreign Snuff, deserve particular attention for the perfection of their manufacture. Their CAPE SNUFF, plain and scented, combines with sweetness and purity of flavor, the following qualities:— 1st. It does not act on the respiratory organs like the common Cape Manufacture. 2nd. From an unexamined attention of five years to its manufacture, it has been brought to a perfection that age and climate will not impair the quality, and that age will only improve it. To this invaluable and warranted quality, they beg to call the particular attention of the Trader in the Interior. 3d. Composed of the choicest ingredients only, its flavor is warranted not to be produced by deleterious substances. 4th. It excels in purity and sweetness of flavor the Cape Snuff generally offered to the Public. To ascertain these qualities, they invite the Sceptic to come and try. Lastly, but not least,—they beg to call attention to their EYE SNUFF, an infallible remedy against Rheumatism in the face, weak eyes, rheumatic headache, shooting pains in the ears and teeth, to peculiar to the climate of this Colony, and so well-known under the formidable name of Zinkens. This invaluable composition is sold in cassettes of 1s. 6d. and 2s. 3d. each, the cassettes have wrappers with directions for use. Be particular to ask for J. H. BAM & Co.'s Eye Snuff, or Snuff for Zinkens. Cape Town, 17, Heeren-gracht. N.B.—Just received, fresh Negrohead and Cavendish TOBACCO.
