In de zuid-Afrikaanse krant De Zuid-Afrikaan, uit 1893, staat een artikel over de Britse kolonialen in Zuid-Afrika. Het artikel verhandelt over de politieke situatie en de gevoelens van de Afrikaners. De krant werd uiteraard niet getekend met de naam van de auteur en is ontleend aan de voormalige bewoners van Zuid-Afrika die zich in Europa hadden gevestigd.
