ZUID+AFRIKAAN

GATE TO THE TRUE OF THE TOTAL O

THOUGH it will have been observed from our last,

The Government having buce disposeesed itself of the power of legal interference in Those matters, both by the Municipal Ordinance and the approximation the regulations framed by the Municipality, can but reductantly receive petitions of a similar kind as that presented by the landholders of Swellendam, being no doubt fully aware, that common. honesty forbids it to divest the Manieipelity, for grant them the relief prayed, and an allow he the benefit of a particular class of H. M. Subjects, responsible task which the Municipal body has desired effect indep, gibroownages vs asbuorasw taken upon itself, ought ever to influce Govern ment to enforce its supreme authority in this respect, and we sincerely trust that, at least in as far as the present administration is concerned, it will always maintain this sacred principle inviolate.

The following is the Petition above alluded

The Petition of the undersigned Landowners, and Agricul-

turists, residing in the Division of Swellendam, HUMBLY SHEWETH!

parsuits, and more particularly in the produce and exportation

Your petitioners are therefore induced most respectfully to lay before your Excellency, and the Honorable the Legislative Council, this their prayer, in the earnest hope that cause may be seen to relieve sheen from want they consider very

heavy and unjust taxation. Previous to the establishment of the Cape Town Munici pality, Wool grown in the Colony, passed the Cape Town Market free of any charge whatever; on the establishment of that body, a Market duty of is 6d, per 100 bs, was im-

Your petitioners now humbly beg to bring to the notice of your Excellency, and your Honorable Council, that the Wool grown by them is brought late Cape Town, not to be there used by them is brought has Cape Lowe, not to there used by manufactured, but to be shipped in Table Hay to a fi when in Europe. Hence your per tioners respectfully allege, that this duty, charged as a market duy, is erro mount in principle, and injust to its effects upon your petiti-

intended for consumption in Cape Town. much diseastsfaction prevalts in the Agricultural community, regarding the market duties generally, as they are now levied by the Municipality of Cape Town, and they solicit the attention of your Excellency, and your Homerable Connect. to the fact, viz., that the revenue derived by the Municipa-from the Market duties, amounts annually to pearly \$ 6,000. whilst the Market expenses are less than 2 600 ?

Your petitioners, to the Best of their belief, derive no be neft whatever from the disturisment of the Cape Town Municipality, beyond the repairs of the Market, and the retention of Market Officers; and accordingly they cannot but consider that the present high world of the McCan division on onintry produce generally, and ou those articles especial The petitioners therefore, however the factor of the petitioners therefore, however that if may be the petitioners therefore, however that if may be the period of the period of the period of Municipal Ordinace and degulations; and may relieve your petitioners from the meeting of which they complish, and afford them, significantly the the feature against a command of the tame on manager with the tame.

Away at me, is see see her hardened, it any time, but no honest, present Supreme Court, and dividing the Colony had an any time, but he nonest that after present super control of the court of the cour MAITLAND, Governor, and to the Honorable ment of a Court of Appeal and Cape Town, to be composed of the Chief and two of the District Judges; the abolition of the collection of the abolition of the collection o the Peace, and the extention of the number of attempt of attempt of attempt of Magistrates with jurisdiction in civil deses to 230, the cane of the atticker sold at the Market adopted. There requires no long committee work to arrange this, and the advantages of the system are such, and already adopted by cather the with latter cannot be my difference of opinion about it.

In the present ayetem Wheat is charged about 3 77 per cent. more than other ordinary articles of produce, and are lines flow South Wales Wheat, coming for much less price than the ball grow it, without carrying it to market. We have also our mad token in pay, and bad times enough with regand to prices for Hays &c. Some articles may as much as ten per cent on their saine, according to the present inconsistent tariff. I do not think its equal can be found in the whole world. I come now to a very under part of my subrions, rein sectionale of personnage, which must be bonde fern with the amount provised fan the public service to schiell it ought justly to be appropriated. It appears that for some years past an overplus, after paying all reasonable expenses interests by the Parallel For the Market Establishment, went of moth and droud of the Municipality; of between &5 and £ 6,000, which has been appropriated to works and repairs of Cape Town. The town itself contributes £ 1,500 for that purpose. Will you, Mr. Editor, inform us, upon what prinplayed are to be toxed for such a purpose ! It is the most disagnous system of Taxation over huard of anit I hope to hasopat to for one year. No wonder, indeed they are pour of all the hear prints go to beautify Cape Town This, show will be the many boths to be nettled, whit the the ambete of the Manietral Board bear in mind that the velocity The state of the s principles, admittated origine more pricing and morning white and the standing but comment bened afternoon halo course.
