REFERER

CAPE TO WE THE MAN STATE OF THE COLORS OF TH

About the beginning of this year, complaints were made on the part of some Wine exporting and Brandles importing Merchants, of an inconsistent differential duty on the import of French and Italian Brandles, The former paid four pence per gallon, and the latter one shilling. And it was proposed to reduce the duty on Italian Brandy from one shilling to four pence, and thus equalize it with the French Brandy on ask va salaw asso games and

We then took occasion to observe, in our paper of the 4th Marchylast, that if the reduction were adopted, it would have the effect of greatly injuring the rising Spiritus Distilleries, which would not be able to compete with the Italian Brandy, imported at aidaty of four sience blt wast shown from official date, furnished by Mr. H. C. JARVIB long suffering, and the spreader improved the state the Committee of the Agricultural Society, that of the frontiers and elegion tiu broots grass bre the Spiritus manufacture, had nince 1841 been a basility increasing, and the natural and fair contact the meeting consider it the first and paramount clusion come to was, that under something like a carry of city government, to protect the first and paramount small protection only, that carticles might he still of its believes and home and meeting and
