A Correspondence written by Black Republican, for the "Zuid-Amerikaan."  

OFFICE OF THE ASSOCIATION FOR THE SUPREME SUPREME.

CAPETOWN, SEPTEMBER 3, 1862.

We are very much pleased to learn that the Association has been formed to promote the views of the colored people of the South, and to give them a voice in the government of the country. We are sure that this will be a great benefit to all colored people, and that it will help them to get what they deserve.

One of the most important of these views is the demand for equal rights, which is the only way to get real progress. We are glad to see that the Association is making progress in this direction.

We wish the Association every success, and we are sure that it will be successful if it continues to work hard.

The Zuid-Amerikaan.

WRECK OF THE SHIP, AT THE HUDDLE FALLS.

Saturday.-The wreck of the "William Cott," which came to grief near the Huddles Falls, on the 22nd ult., has been very unfortunate. The vessel was a small steamboat, owned by Mr. J. H. M. Reade, of the canal company. It was bound for the Huddles Falls, when it struck a rock, and was immediately thrown into the river. The crew consisted of three men, and they were all saved. The vessel was not insured, and the company is left to bear the loss.

COMMUNICATIONS WITH THE GOVERNMENT.

The Secretary of State, in a communication to the Secretary of the Navy, states that the Government is ready to take the necessary steps to prevent any further destruction of the means of transportation. The Secretary of State also states that the Government is ready to take the necessary steps to prevent any further destruction of the means of transportation.

SOUTHERN AFFAIRS.

The New York Times, in a communication to the Secretary of the Navy, states that the Government is ready to take the necessary steps to prevent any further destruction of the means of transportation. The New York Times also states that the Government is ready to take the necessary steps to prevent any further destruction of the means of transportation.

SYDNEY.—PORT PHILLIP.—NEW ZELAND.

We have received by the mail from Sydney the following communication from Mr. J. H. M. Reade, of the canal company.

"Mr. J. H. M. Reade, of the canal company, has been ordered to take the necessary steps to prevent any further destruction of the means of transportation. The New York Times also states that the Government is ready to take the necessary steps to prevent any further destruction of the means of transportation."
