

PARLIAMENTARY

H. BRAND, Esq., F.R.S.
Classwilliam, Feb. 11, 1854.
SIR,—The undersigned, inhabitant of the district of Classwilliam, will esteem it an honor to be allowed to elect you as their Representative for the Assembly.

REPLY

Cape Town, March 3, 1854.
GENTLEMEN,—I have the honor to acknowledge the receipt of your flattering letter of the 11th February last, requesting that I would consent to be proposed as one of the Representatives for the district of Classwilliam in the House of Assembly. I am afraid your kind disposition towards me has led you to overrate my qualifications for that honorable but at the same time responsible distinction.

But in advocating the cause of Classwilliam, I shall ever lose sight of the interests of the whole Colony. What tends to promote the welfare of the one must necessarily contribute to the prosperity of the other. The rich mines of Classwilliam will also increase the wealth and resources of the whole Colony.
