DE ZUID-AFRIKAAN.

Kaapstad, den 14 April 1856.

Het verschaft ons genoeg te zien dat de Wetge-

vende Raad het eerst het belangrijke vraagstuk

heeft aangevoerd eener billyke verdeling van de

£16,000 voor openbare erediensten, gereserveerd

onder de Schiedule C. van de Constitutie Ordonnantie.

De wyze waarop dat geld tot hertoe is ver-

deeld, is ongetwyfeld eene schreeuende onregt-

vaardigheid. "De Staat," zeile een groot

staatsman, "heeft geen godsdienst." Sommigen

beweren dat het Gouvernement dezer Koloni-

wezenlyk een christelyk Gouvernement is, en dat

het daarom ongeremd zou zyn in eenige gedaante

onderstand te verleenen aan de godsdienstige

instellingen der Mohamedanen en Heidenen.

Wy kunnen ons niet verbeelden dat de voor-

waardelyk vereenigen. Mohamedanen worden

in dezelfde evenredigheid belast en op hetzelfde

beginsel als Christenen, waarom dan zou een

zeker deel van het publyk geld aan de christelyke

maatschappy toevallen, om hen behulpzaam te

zyn in het onderhouden van hunne geestelykheid

en geen deel hogenaamd aan de Muselmanen?

Door het verleenen van zulken onderstand, keert

Bureau, op den 3 April en 7 Mei.

gedoogt niet iets meer te doen, dan de resolutie te geven,

welke naderhand werden genomen, alle met eenparige

stemmen, met uitzondering van die omtrent de registratie

tegen welke slechts ééne hand werd opgeheven. De Hr. Bir-

kenruth, voorzitter van de Municipality, bekleedde den

stoel, en ontving met raad en dank der byeenkomst voor

zyne diensten by die gelegenheid.

1. Dat deze verandering in overreiking genomen heb-

bende de verlichte inzichten van Zyne Excellentie den

Gouverneur, in zyne openingrede aan het Parlement,

stellig overtuigd is, dat indien verstandig uitgevoerd,

dezelve de grootste bevrijding zoude zyn voor de koloni-

e; dat het plan, om eene groote Europeesche bevolking

op staat brast is; het zoud dat by het aardappel

werpt met meer dan 200 per cent laag. De dienst

de turf, hoog noodelyke vreesde, is er belast; de hurs-

boden zyn er belast; het brood, vleesch was in 1854

noogt belast en er waren jaarlyk nog te korten, en de bur-

lydte er broodschert; gevolgen van slecht bestuur, ge-

volgen eener verderfelijke aristocratie in den lande.—Zie

VRYDAG, 11 APRIL.—De meestert en dienstbode wet

wordt voor de derde maal gelezen en gepasseerd, en naar

den Raad verzonden.

Eene petitie werd ingediend door den heer Steytler,

van eenige inwoners van Worcester, om eene vergoeding

van land en geld tot het maken van eenen weg voor De

Toit's Kloof, maar informeel zynde werd dezelve terug

getrokken. Ook werd do v den heer Bowker eene petitie

ingediend van den Hoofdstaatsbal van Somerset, om ver-

goeding voor verliezen door de paarden ziekte.

Het comité op de zaak van den heer Frislich des-

zelfs verlag ingediend behoudende, werd besloten hetzelve

op den 16 dezer in overreiking te nemen.

Eene boodschap werd ontvangen van den Gouverneur,

overzende de ontwerp van wet ter regeling van de betaling

van de kosten van Velkornets en andere publieke ambte-

naren, gepaard gaande met het geven van getalgen in

criminele zaken. Hetzelve werd voor de eerste maal

gelezen.

Het debat op de moete omtrentlyk verantwoordelyk zou-

ernement herval, werd voortgezet tot 6 ure. Het H.

Huis a journeerde toen tot 8 ure, wanneer hetzelve her-

hervat en voortgezet werd tot half 10 ure. De stemmen

wierden toen opgenomen. Het amendement van den heer

Solomon werd verworpen, en het oorspronkelyk voorstel

kapel van het Russische gezantschap te Berlyn gehouden

is, om den Hemel voor den val van Kara te danken.

"Het verhoort ons de waarheid te kunnen bevestigen

van het berigt van een Duit ch dagblad, volgens hetwelk

zulk heeft plaats gehad zonder voorkennis van den Kon-

ing van Pruisen, die overtuigd is van het onverzame

eener handeling van de zyde syner officieren, welke zoo

openlyk door hlyken van de ingesnoeiheid met Rusland

maak, die by ons gedeeltelyk van het Pruisische leger be-

staant, maar waarin, gelyk wy nauwlyks behoeven te

zeggen, het Pruisische volk niet deelt.

Mit genoegen vernemen wy dat de Koning van Pruis-

en door een van zyne adjutanten den hoogsten in rang

van de bedoelde officieren heeft doen berispen, en verder

aan de betrokken officieren eene kabinets-order gerigt

heeft, waarin Zynen Mij-stijns misnoegen over hun ge-

drag te kennen gegeven wordt, met het verlangen dat de

officieren van het Pruisische leger zich voortaan van

politieke demonstraties van dien aard geheel onthouden."

Volgens berichten uit Weenen heeft de uitwisseling der

circulieren van de bisschoppen in de Italiaansche provinci-

en, waarbij de drukpers en de boekhandel aan eene preventie-

kerlyke e-natuur onderworpen worden, een hoogst onaan-

genamen intrusie op de Oostenryksche regering gemaakt,

die in geenen deele geneigd zoude zyn om zulken regt

van de bisschoppen toe te kennen, en nog minder om heit

in de uito fining daarvan te onderstaan. Reeds voor

enige dagen is er ald dat de civile gouverneur van

Lombardy, by waken de Milanese boekverkoopers zich

wegens de aanschryving van den aartsbischoep beklagd

hadden, aan hen had te kennen gegeven dat hy, by een
