RAPPORT
Van de Directeuren van het Mutuele Levens Assurantie Genootschap, van de
Kamp de Grote Hoofd, op de Twijndrecht, Jaarondergelden Afgedaan op Zondag den 6 Juli 1857.

Het Twaalfjarig Rapport van het Mutuale Levens Assurantie Genootschap, van de Kamp de Grote Hoofd, op de Twijndrecht, voor het jaar 1856, is voor de overwegende meeste een prentzachtige historische studie in de ontwikkeling en groei van de waarde van verzekeringsleven. In 1848 werd het eerste levensverzekeringsschrift van de genootschap verkocht, en in 1856 hebben de directeuren besloten om een rapport op te stellen over de uitvoering van hun taak en de resultaten die ze behaalden.

De ingeleverde premies en de winsten en verliezen op de beleggingsrekeningen zijn in detail weergegeven. De directeuren hebben ook een overzicht gegeven van de inkomsten en uitgaven van de genootschap gedurende het afgelopen jaar, en de winsten en verliezen verder in detail weergegeven.

De directeuren hebben een uitvoering van hun taak bijzondere aandacht besteed. Ze hebben aangetoond dat de genootschap een goed bestuur heeft gehad, en dat de leden van de genootschap tevreden zijn met de werking van het genootschap.

De directeuren hebben een uitgebreide beschrijving gegeven van de activiteiten en resultaten van het genootschap voor het afgelopen jaar, en hebben getoond dat de genootschap een sterk en gezond genootschap is.
