READ HERE! IMPORTANT PUBLIC SALE OF ERVEN,

AT THE NEW VILLAGES OF 'POMONA,' At Twenty-four Rivers.

THE Undersigned, having purchased the splendid Estate known as "WILLEM'S VALLEY," situated at Twenty-four Rivers, District of Piketberg, has, at the solicitation of the Inhabitants determined to sell a portion of the same (divided into Erven) at PUBLIC SALE, on

THURSDAY, 15th Dec. next, TO FORM THE NUCLEUS OF

A NEW VILLAGE TO BE CALLED 'POMONA.'

A Liberal Subscription has been made for erecting a Church, and means will be taken for providing sustentation fund for the support of a Minister.

To those unacquainted with the locality, it may be necessary to state that the situation is in the Centre of the Field-cornety, surrounded by a numerous Population, admits a number of the MOST FERTILE AND PRODUCTIVE FARMS IN THE WESTERN DIVISION OF THE COLONY. It is distant from Piketberg about Twenty Miles, from Malmesbury Forty Miles, and Wellington about Forty-five Miles, on the high road from Wellington, Paarl, &c., to Sandvelt, Hantam, Clanwilliam, &c., as well as the Cattle Thoroughfare from the Interior. Of the BEAUTY AND FERTILITY OF THE FARM ITSELF, IT IS IMPOSSIBLE TO GIVE A DESCRIPTION THAT WOULD DO IT JUSTICE; the Proprietor invites a personal inspection.

The Erven will be sold on the most liberal conditions, THE PROPRIETOR BEING ANXIOUS TO OBTAIN A RESPECTABLE AND INDUSTRIOUS POPULATION; each will be supplied with a Stream of Water, of which there is an abundance: the Erven will be sufficiently large for a Garden and small Vineyard; and, in addition, a considerable extent of Commonage will be allotted for the Cattle, the Erholders will be entitled to hold, namely (for each): Two Horses, Two Cows and Ten Sheep or Goats.

Further particulars may be had, and a plan of the Erven seen, on application on the place to JOHN PERCIVAL WIGGINS, Twenty-four Rivers, Nov. 8, 1859.
