LEGISLATIVE COUNCIL.

Wassenaar, May 16.—Mr. Kennedy having taken his seat as a member of the Council this day, the Colonial Secretary held in the table several important papers, in which he was assisted by the Attorney-General. The Council was also addressed by the Attorney-General, who read the second and third reading of the Crown Lands Bill, with a view to its being brought up for the Committee of the whole House. The Bill does not appear to have been read a third time, and was left on the table.

SA. R. HENRY.—We have noted the five resolutions of Mr. Smith, relative to the African Union. Our Government has already declared its intention of supporting the principle of African self-government, and of maintaining the Türkei, which is one of the great powers of the world, in its position of influence and leadership, and has thus far maintained it. We are convinced that the Turkish Empire is the most powerful in the world, and that it is the duty of all the Powers to support it. We have, therefore, passed the resolution that the Chinese Empire shall be supported. We have, also, passed the resolution that the Danish Empire shall be supported. Lastly, without touching the subject of African self-government, we have passed the resolution that the British Empire shall be supported.

The debate on the Bill was then resumed. The Attorney-General, Mr. Smith, and Mr. M'Intosh, and other Members of the Council, took part in the debate. The Bill was read a third time, and was then passed by the Council.

Original Correspondence.

The Rev. C. N. M. C. was appointed to the office of Clerk of the Council, in accordance with the provisions of the Act of Parliament, passed in the year 1852. The Clerk was then sworn in, and the Council proceeded to the reading of the Bill. The Bill was then read a second time, and was then passed by the Council.

The Council adjourned to-morrow at 11 o'clock.

HOUSE OF ASSEMBLY.

Wassenaar, May 16.—Mr. Linton, from 40 inhabitants of Cape Town, presented a petition to the House, in which he stated that the Governor of the Colony had been induced to give the House a copy of the Government Report, which was signed by the Governor, and which was read in the House.

The House adjourned to-morrow at 11 o'clock.

THE ZUID-AFRIKAAN.

Cape Town, May 31, 1850.

Wishing to have our work of public service extended to other parts of the world, we have decided to publish a periodical devoted to the interests of the Cape Colony. We have for some time been in communication with a number of friends, who are interested in the welfare of the Colony, and who are willing to contribute towards the expenses of the publication. We have also consulted with Mr. Smith, who is willing to contribute towards the expenses of the publication. We have, therefore, decided to publish a periodical devoted to the interests of the Cape Colony.
