THE ZUID-AFRIKAAN.

Capetown, July 20, 1880.

Wages of Porters at the Station of the Imperial Hotel. — There are a few cases of the imposition of extra wages on the premises of the station of the Imperial Hotel, which are very much felt by the porters. We have been informed that the wages of the porters are not paid according to the scale fixed by the government. We understand that the porters are paid only 50 cents per day, whereas the scale fixed by the government is 50 cents and one and a half cents per day. We trust that the authorities will take notice of this matter and take the necessary steps to remedy the situation.

Famine.—The famine in the Cape Colony continues to spread. The situation is very serious and the authorities are doing everything possible to alleviate the suffering of the people. We understand that the government has ordered the distribution of food-stuffs to the affected districts. We hope that this will help to alleviate the situation.

The Building of the Zuid-Afrikaan.—The building of the Zuid-Afrikaan is now in full swing. The work is progressing rapidly and the completion is expected within the next month.

Accidents.—A tragic accident occurred last week in the Cape Colony. A young boy was killed by a falling of a wall. The boy was playing near the wall when it fell on him. The authorities are investigating the circumstances of the accident and taking steps to prevent similar incidents in the future.

The Commercial Chamber.—The Commercial Chamber is holding a meeting this week to discuss the future of the colony. The chamber is made up of prominent business men and is taking an active part in the affairs of the colony. We hope that the meeting will be successful and that the chamber will be able to make some valuable contributions to the development of the colony.

THE END.
