SALE OF THE FINE FARM "NIEUWBERG," AND 35 Lots of Ground, IN THE VILLAGE OF "RUGBY," EERSTE RIVER, In the Insolvent Estate of J. D. LINDSAY, On the Sloop of the Commercial Exchange. CAPE TOWN, WITH LIBERAL BONUS, ON Saturday, 10th Dec., AT 12 O'CLOCK.

THE great dryness of the present Season, and consequent scarcity of good Pasturage, induce the Trustees to bring into the Market, and sell as above, the fine Summer Grazing Farm "Nieuwberg," of 1,027 morgen, and having extensive tracts of Government Ground adjoining. This fine Farm is situated within an hour's ride of Palmiet River Bridge (say about five hours' distance from the Eerste River Railway Station), and consists of an elevated level by means of succulent herbage, through which runs the Palmiet, its source being in the Mountains above the Farm. On the long-projected, and much-desired road being made (the expense necessary for the purpose being but trifling, and one half having been promised by Government), this will be the shortest line for the extensive traffic from Villiersdorp, Boesveld, parts of Caledon, Genadendal, and even Robertson, to Cape Town by the Eerste River Railway Station. All this Traffic must pass over Nieuwberg Farm, which will then become a Half-way House and private Outspan of the most profitable character. At present its capabilities for Summer Grazing alone render it valuable, and in the hands of a Highland Farmer it would be a source of great profit from Dairy Farming. At the Same Time, The 53 Lots, Nos. 13, to 22, 24, 25, 32, 33, 35 to 44, 49 to 59, 61 to 79, of the Divided Property Stockholm (Mr. P. L. CLOUET'S), Village of Rugby, Eerste River Bridge. On inspection of the General Plan these will be found to be among the best Lots in this Village, some of them having River frontage. THOS. WATSON, Joint E. J. M. SYFRET, Trustees. The special attention of the inhabitants of the Caledon and Villiersdorp districts, the Boesveld &c., is called to this Sale, at which they can not through Cape Town agents.
