This being a MUTUAL ASSURANCE SOCIETY, the profits are not in the Proprietary Companies, divided between the Partners and the Assured. The WHOLE of the Profits are divided amongst the holders of Policies, at the termination of every period of THREE YEARS, and each holder may determine that his Share of the Profits is to be added to the sum assured by him, or converted into present payment, or applied in reduction of the future annual premium payable by him. The last Division was declared at the Annual Meeting held on the 6th July, 1864. The Profits then divided were at the rate of 2 1/2 per cent, per annum, or 2 1/2 per cent for the three years. Thus a Policy of £50, taken out before 1st November, 1865, has £37 10s., three years' Profits, added to it; a Policy of the same amount, taken out before 1st November, 1867, has £12 10s. one year's Profit, added; while the total accumulated year of the Society's existence, now amount to the large sum of £41 0s. 4d.

The next Division of Profits will take place in July, 1871. Persons proposing for assurance will be required to produce Certificates, or other proofs of age as the Directors may deem to be satisfactory. Candidates for assurance are not charged with fees payable to the Medical Officers of the Society. Prospective, Forms of Proposals, and all information respecting the Society may be obtained at the Office in Cape Town, or at any of the Agents throughout the Colony.

By Order of the Board, J. C. GIE, Jun., Secretary.
