The Honorable Mr. Porter's Resignation.

It is regretted that the Hon. Mr. Porter has been compelled to resign from the position of Secretary of State. This is a great loss to the government and to the country at large. Mr. Porter's able and efficient services will be greatly missed. He has been a valued member of the cabinet and has always acquitted himself with distinction. His resignation is due to the pressing needs of private business, which necessitates his absence from public affairs. We wish him every success in his new endeavors and hope to see him return to public service in the near future.
