Cape Town, July 5, 1869.

RAILWAYS AND THEIR ADJUNCTS.

On the Wellington line of Railway since its opening, very few casualties have occurred, and its management has hitherto commended the confidence of the public.

A question arises here as to how far the company should be held responsible for such untoward accidents as the one which has occurred.

It is not in our power to say whether the accident was due to the negligence of the railway company or to the carelessness of the passengers.

Reverting to what we said in a previous issue, it would be easy to connect Karroo Park with Beaufort West.

INTERSTATE ESTATE.—A meeting of the next of kin and creditors will be held in the estate of John Gambold Dunn, and his deceased spouse, Aletta Johanna Maria Rousouw, at the Magistrate's Office, Swellendam, 17th August.

Mr. Henry Daniel Peter Jongsveld, has been authorized to practice as a chemist and druggist in this Colony.

INQUIRY having been made for Wilhelm Grimm, it is requested that any particulars concerning him may be communicated to the Colonial Office.

Whatever may be said of the attempt on the part of the Gas Company to coerce the Council to accept of their terms, it is certainly a melancholy fact to see all the appliances made for lighting up Cape Town, in perfect order, and still the streets of a night are as dark as Erebus.

On Friday Mr. Charles Bell, the Surveyor General, representing the Government, and Mr. Crosby of the Attorney-General's department, proceeded to the scene of the recent accident.

On Friday night the stables of Mr. Cawood were entered and two horses taken out, but it appears the would-be thieves had some difficulty in mounting the animals and so left them in the garden.

On Wednesday evening shortly after five o'clock, she left Mossel Bay on Friday week, and encountered a blowing perfect hurricane, accompanied by a very heavy sea.

After assistance had been rendered to the sufferers, a telegram was despatched from Wellington announcing the accident, but as some of the poles were down between Durban Road and Salt River Station, the message had to be forwarded by sending a platelayer on a trolley over that part of the line.

On receipt of the intelligence in Cape Town the writer of this, accompanied by the Resident Engineer, Locomotive Superintendent, and Traffic Manager, proceeded immediately by special engine to the scene of the accident.

The accident seems to have been caused by the embankment having become completely saturated with water during the previous night.

The Premiums are payable yearly in advance; or at
the option of the Assured, half-yearly, with a slight in-
crease of the rate.
This being a MUTUAL ASSURANCE SOCIETY, the
profits are paid to the Proprietors, divided
between the Partners and the Assured. The whole
belongs to the Policy holders.
The Profits are divided amongst the holders of
Policies, at the termination of every period of THREE
YEARS, and such holder may determine that his Share
shall be added to the sum assured by him; or converted
into present payment; or applied in reduction of the
future annual premiums payable by him.
The last Division was declared at the Annual Meeting
held on the 6th July, 1868. The Profits then divided
were at the rate of 24 per cent. per annum, or 74 per
cent for the three years. Thus a Policy of £50, taken
out before 1st November, 1865, has £37 10s., three
years' Profits added to it; a Policy of the same amount,
taken out before 1st November, 1867, has £12 10s.,
one year's Profits added; while the total accumulated
Profits on a Policy of £500, taken out in 1845, the first
year of the Society's existence, now amount to the large
sum of £44 10s. 4d.

The next Division of Profits will take place in July
1871.
Persons proposing for assurance will be required to
produce Certificates of Baptism, or such other proofs of
age as the Directors may deem to be satisfactory.
Candidates for assurance are not charged with fees
payable to the Medical Office of the Society.
Prop. Agents of Proposals, and all information
respecting the Society may be obtained at the Office in
Cape Town, or at any of the Agents throughout the
Colony.
By order of the Board,
J. C. GIE, Jun., Secretary.
