De Zorgzame & Doekz. Niemand kan het overtuigen, dat de kinderen voor de school niet vereist zijn. Hierdoor blijven ze thuis en gaan ze door het leven zonder een enkele basis van kennis. Het is belangrijk dat we kinderen ondersteunen om hun toekomst te garanderen. Ik ben van mening dat onderwijs een van de belangrijkste factoren is voor de ontwikkeling van een zedelijke en gesloten samenleving. 

De Rechtvaardige en Doekz. De wetgeving moet worden herzien om de rechten van kinderen te garanderen. Er zijn veel kinderen die te veel belast zitten onder de kosten van de school en in het onderwijs system. Het is belangrijk dat we samenwerken om de belasting voor kinderen te verlagen en zodoende hun toekomst te garanderen. Ik ben van mening dat de overheid deze zaak moet behandelen als een prioriteit.
THE South African.

Cape Town, July 19, 1889.

BREAKWATERS AND DOCKS.

Now that our Breakwaters—built as a result of the Natives' Act, and which have been the subject of so much discussion in the past—have been completed, it is only necessary to note the progress made with regard to breakwaters and the construction of breakwaters.

THE NATION'S DEBT.

The National Debt of the United States is now $3,600,000,000. The interest on this debt is $200,000,000 per annum, and the annual payment into the Treasury is $300,000,000. The total amount of the National Debt is $5,600,000,000.

THE INTERNATIONAL TELEGRAPH.

The International Telegraph is a great boon to the telegraph industry. It has been in existence for several years, and is now being widely used in Europe and America.

The English news wire is on Tuesday, when the telegraph message was received from the Imperial Telegraph in London. The International Telegraph is a great boon to the telegraph industry.

EUROPEAN NEWS.

Our London Correspondent's Letter.

London, May 18, 1889.

As the result of the recent elections in the United Kingdom, the Conservative Party has won a majority in the House of Commons. The Government is now in a position to carry out its programme without the fear of a dissolution of Parliament.

THE CIVIL SERVICE.

The Civil Service is an important part of the Government. It consists of all the officials who are employed by the Government in various capacities. The Civil Service is administered by the Treasury, and is under the control of the Secretary of State for the Home Department.

THE MILITARY.

The military forces of the United Kingdom consist of the Army and the Navy. The Army is composed of regular and volunteers, and the Navy is composed of the Royal Navy and the Royal Naval Reserve.

THE NAVY.

The Royal Navy is the most powerful navy in the world. It consists of about 2,500 ships and vessels, and has a total tonnage of over 2,000,000 tons. The Royal Navy is commanded by the First sea Lord, and is under the control of the Secretary of State for War and the Colonies.

THE POSTAL UNION.

The Postal Union is an international body, which has been established for the purpose of facilitating international postal communication. It consists of 150 member countries, and is governed by a General Assembly and a Postal Congress.

THE INTERNATIONAL LAW.

The International Law is a body of law that governs the relations between states. It is based on the principles of justice and equity, and is designed to promote peace and order in the international community.

THE INTERNATIONAL TRADE.

The International Trade is the exchange of goods and services between countries. It is based on the principle of free trade and the mutual benefit of the parties involved.

THE INTERNATIONAL RELATIONS.

The International Relations are the diplomatic relations between countries. They are based on the principles of sovereignty and the rights of nations.
