

— See the silver moon 4

Hear the breezes crow 4

Jungle's cradle tune Lulla-lulla

bye ——— Now the darkness swoops 4

Down on velvet wings 4

While our river sings Lulla-lulla

bye ——— Sleep, sleep up above

Stars keep watch with eyes of love

Sleep, sleep Baby hush-a

bye ——— Sleep, sleep Eye-lids close

Dreaming dreams of Pearl and Rose

Sleep, sleep Baby hush-a
