POV2 F8.24

Attaining
Striving
O, wondrous Endeavor,
Led hither and thither
O'er mountainous waves
And Ocean's deep valleys,
Pursuing (a) Fate (our)
Through Darkness and Mist,
Hunger and Thirst,
Sorrow and Pain,
Stormy seas or becalmed;
Dragging and thrusting
Hither and thither-
Awe-inspired and humble,
Faint-hearted yet faithful
In Life or in Death,
Destruction or Triumph,
Tortured, pursued
Hither and thither.
Unflinching he stands,
In nowise deceived.
By starry illusions,
In nowise dismayed
By the mocking of men-
Never oppressed by the Spectres of Night;

Two
He only believes
In his glorious mission,
In Fate's Eternal
Sublimest fulfillment;
He only believes
And follows the Sign
That leads through Eternity,
Space and All Time-
To God.
