He is quite young and a great Music enthusiast and I have spoken to him about you and given him the address I have of yours and asked him to get into touch with you.

I think it would be a grand idea to see if you can get "Little Alfie" performed at your home so you can hear how it all sounds!-

I have "produced" many things and I have a good idea of what can be done with your "Little Alfie" but I must first of all know if I have your right address, so will you write to me at my home?-

I leave for South Africa for the next six months and sail on October 21st. for Cape Town. Until then this Hotel will find me and I will be glad to hear from you.

With kindest greetings
Yours very sincerely

Vera de Villiers Coates.
