Dear Mrs. Coles

I am returning the score of "The
Table d'Or" - which I played through and
which very much indeed.

I'm afraid there is not a great
hope of having it performed just now at Covent
Garden - we are only producing ~~one~~ new
opera a year and the feeling is that
it should be one by a contemporary
composer - if only there were six or
seven opera houses in England and each

Royal Opera House

COVENT GARDEN, LONDON, W.C.2

July two —

Kind regards

Yours sincerely

Reggie Goodall
